

Cellular Telephone Service Providers and Retailers Annual Recycling Report for the State of Maine

Maine's cell phone recycling law (38 MRSA §2143) requires retailers of cellular telephones to accept, at no charge, used cell phones from any person for recycling (this law also bans the disposal of cell phones). Additionally, this law requires cellular telephone service providers to submit an annual report to the Maine Department of Environmental Protection by January 1 of each year through 2013 about their cell phone recycling activities in Maine. To comply with this law, please complete and submit this form to Maine DEP. If you have questions on the requirements of Maine's cell phone law, please call Carole Cifrino at 207-287-7720.
