Strategy Implementation

This is a 1 part exclusionary configuration 1,000 feet long.

1. Establish communications with Command Center.
2. Use river current to assist deployment.
3. Deploy boom from reel or trailer at boat ramp.

Boom across the channel from Sheafes Point at the Wentworth by the Sea Country Club @43 03.095 N and 070 43.894 W.

Connect to the south shore @ 43 03.039 N and 070 43.689 W

4. Observe deployment for stability and adjust as necessary.
5. Prepare to recover oil?
