

DEPARTMENT OF ENVIRONMENTAL PROTECTION
PROCESSING TIMES FOR NEW APPLICATIONS
Effective: November 1, 2009 to October 31, 2010

This schedule provides processing times grouped by D.E.P. program. These times apply to applications for *new* licenses accepted as complete for processing by D.E.P. because of its commissioner's jurisdiction over the application on or after November 1, 2009; guaranteed times do not apply to other application types, e.g. amendments, renewals, etc., or applications over which the Board of Environmental Protection has jurisdiction.

The "Guaranteed Processing Time" column is measured from the date of acceptance to the date of the D.E.P. decision on the application. This is the maximum period of time the agency has to process an application before the forfeiture provisions contained in Maine Revised Statutes Title 38, Section 344-B apply. The "goal" column, where a number is given, is the average time D.E.P. plans to attain for each application type. All times are in calendar days unless specifically noted otherwise.
