

Class SA Marine Waters, Casco Bay No Discharge Area and Navigable Harbors

Disclaimer
Map/Image prepared by the Maine DEP. The detailed maps that are linked from this image were generated by overlaying DEP SA Waters & Navigable Harbors GIS data onto digital NOAA Nautical Charts. All datasets were the best available to the DEP at the time a map was created and updated information may now exist. These maps are for illustrative purposes only and are not for navigation or for use as a legal reference. SA waters are described in statutory text at 38 M.R.S.A. 469. Map created on November 8th, 2005
