2007 Immunization Update

Current Practices and Emerging Issues

One Conference

Two Separate Days, Two Separate Locations

Tuesday, April 24, 2007

Hilton Garden Inn - Auburn Riverwatch - Auburn

Thursday, May 3, 2007

Northeastland Hotel - Presque Isle

This conference, which will be offered twice - once in Auburn and once in Presque Isle, is dedicated to a review of emerging and existing immunization practice issues at the federal, state and local levels. Current and near future immunization issues will be presented and discussed. Conference highlights include:

- ◆ New and Emerging Immunization Issues
- ◆ Vaccine Preventable Disease Reporting
- ◆ VFC (Vaccine For Children) Program Update
- ◆ Vaccine Adverse Event Reporting System and the National Compensation Program
- ◆ Storage and Handling
- ◆ and more
