Dear Ms. Powell:

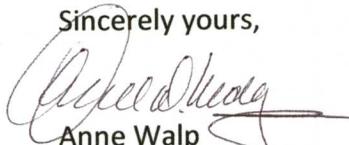

Casa Inc, hereby notifies the Department of its intent to file a Certificate of Need. This replaces our original Letter of Intent dated December 28, 2009 and a second letter to Ricker Hamilton on December 16, 2011.

This letter represents a **letter of intent** to file a Certificate of Need application for Casa, Inc. to operate a 20 bed nursing ICF/MR facility in Scarborough, Maine. We respectfully request a ruling from the Department as to the applicability of the Certificate of Need law to this proposed project.

Following your response on reviewability, we are prepared to schedule a technical assistance meeting as soon as possible and submit a CON application.

Please contact me at 879-6165 if you have questions.

Sincerely yours,

Anne Walp
