RE: LOI- Gorham House (Modifying Bed Complement)

Dear Ms. Rice:

The above referenced Letter of Intent has been on file at this office since June 28, 2013. A Letter of Intent is good for one year from the date of submission. Your Letter of Intent has expired and has been withdrawn from active status.

The expiration of the referenced, inactive proposal means that if the sponsor still wishes to implement this or a similar project, it will be necessary to start the review process anew. The applicant will be required to submit a new Letter of Intent, and if the proposal is still subject to review in accordance with the current provisions of the Maine Certificate of Need Act, than an application will be required.

If you have any question you may call me at (207) 287-9216.

Sincerely,

A handwritten signature in cursive script, appearing to read "Larry Carbonneau".
