Form 990 Schedule H, Part VI - Supplemental Information, Line 1

Part I, Line 7 Based on the IRS Form 990, Schedule H, a worksheet was provided to determine the overall cost to charge ratio that could be used to apply throughout Schedule H of Form 990. Where applicable, the Organization utilized this worksheet to convert charges to costs. The Organization did not use the Worksheet 2 percentage for the IRS Form 990, Schedule H, Worksheet 3, Unreimbursed Medicaid and Other Means Tested Government Programs, or Worksheet 6, Subsidized Health Services, for the Medicaid allowable costs. Instead the Organization utilized the actual Medicaid filed cost report for the Medicaid allowable costs. Additionally, the Organization used the modified Medicare allowable costs and payments related to these services in regards to the emergency department, cardiopulmonary community program, and psychiatric unit. For our provider based clinics, in this same section we used the actual costs for each clinic. In addition, for its addiction resource center, access health service, and senior psychiatric services, the Organization used the estimated costs calculated based on actual clinic costs estimated from reporting on these centers to the State of Maine.

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

Part I, Line 7g Mid Coast Hospital has clinical services and hospital-owned physician practices Mid Coast Hospital has included these practices in this section of the 990, Schedule H of subsidized health services if they are operating at a loss The Hospital has included the following clinical services and hospital-owned physician practices that operate at a loss and the corresponding costs of these practices neurology practice, OB/GYN practice, pulmonary practice, urology practice, emergency department, psychiatric department, cardiopulmonary community program, addiction resource center, access health service, senior psychiatric service, and chemical dependency services The above listed hospital clinical services and hospital-owned physician practices have a community benefit of approximately \$3.8 million In addition, the community benefit does not take into account bad debts, charity care, and contractual adjustments Thus, this community benefit of approximately \$3.8 million is a conservative number that reconciles to the community benefit on the IRS Form 990, Schedule H

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

Part I, Line 7f Bad debt expense of \$4,892,662 has been removed from the denominator of the calculation in Schedule H, Part I, Line 7, column f

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

Part III, Line 4 Services rendered to individuals from whom payment is expected and ultimately not received is written off and included as part of the provision for bad debts In accordance with generally accepted accounting principles, the allowance for doubtful accounts and bad debt expense is provided based on an analysis by management of the collectibility of outstanding balances Management considers the age of outstanding balances and past collection efforts in determining the allowance for doubtful accounts and bad debt expense Accounts deemed uncollectible are charged off against the established allowance

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

Part III, Line 8 The Hospital believes all of the clinical areas included in the Form 990, Schedule H should be and are considered a community benefit Mid Coast Hospital believes that by offering and thus subsidizing these clinical services within the community, the community benefits by having easy access to these services If these services were not available by Mid Coast Hospital there would be a greater burden on the community and many, if not all, of these services would not be available with such easy access Based on the IRS Form 990, Schedule H, a worksheet was provided to assist to determine overall cost-to-charge ratio that could be used to apply throughout the Schedule H of the Form 990 in order to convert charges to costs Where applicable, we have utilized this worksheet to convert charges to costs We did not use this worksheet percentage on the calculation of Medicare costs in this section We used the Medicare allowable costs and payments related to the subsidized health service, and, we utilized the Medicare cost report estimated cost and payment for these services

Form 990 Schedule H, Part VI - Supplemental Information, Line 1

Part V See Schedule H, Part V - all facilities listed are recognized under state law

Form 990 Schedule H, Part VI - Supplemental Information, Line 3

Part VI, Line 3 Mid Coast Hospital will notify patients about access to various financial assistance needs in different ways. We have postings in various departments as well as handouts informing patients how to access these programs if a need for financial assistance is required. There are signs and pamphlets in the Hospital settings indicating the poverty guidelines and how to obtain assistance to free or discounted care. All of our patients can speak to one of the Hospital's employees on how to obtain financial assistance, and, if there is assistance needed, the employee will inform our patient financial services department who will then work with the patient to either help them apply for MaineCare or discuss options for free or discounted care.
