**Updated 09/02/10**

**Next Update in About One Month**

**Valid to 10/30/10**

**REGISTERED LABORATORIES  
PROVIDING AIR AND WATER RADON ANALYSIS**

Please note: This list is in the order that the companies registered for the current year.  
Position on the list does not indicate that one company is better than another.

In an effort to provide current information to the public, please advise this office  
of any difficulties you may encounter contacting any individual or firm listed below.  
Any duplication of this material shall be performed in its entirety. If we can be of further  
assistance, please feel free to contact this office.
