**REGISTERED LABORATORIES
PROVIDING AIR AND WATER RADON ANALYSIS**

Please note: This list is in the order that the companies registered for the current year.
Position on the list does not indicate that one company is better than another.

In an effort to provide current information to the public, please advise this office
of any difficulties you may encounter contacting any individual or firm listed below.
Any duplication of this material shall be performed in its entirety. If we can be of further
assistance, please feel free to contact this office.
