**REGISTERED CONTRACTORS PROVIDING  
AIR AND WATER RADON MITIGATION**

Please note: This list is in the order that the companies registered for the current year.

Position on the list does not indicate that one company is better than another.

*Also Please Note: Maine electrical and plumbing laws require that electrical or plumbing work that is part of a radon mitigation must be done by a licensed electrician or plumber.*

In an effort to provide current information to the public, please advise this office of any difficulties you may encounter contacting any individual or firm listed below. Any duplication of this material shall be performed in its entirety. If we can be of further assistance, please feel free to contact this office.
