Title 17-A §555 (Definition of an Incapacitated Adult)

Policy

1. As mandated reporters under State law, State and Local Agency staff shall be required to report known or suspected child abuse, neglect or jeopardy to health or welfare of a child.
2. A report shall be required when a person knows or has reasonable cause to suspect that a child has been or is likely to be abused or neglected.

Procedure

1. For suspected adult abuse, WIC staff shall be responsible for making a report to Adult Protective Services when the staff member has reasonable cause to suspect that an incapacitated or dependent adult has been or is in danger of abuse, neglect, or exploitation.
 - 1.1. WIC staff shall be legally required to make a report to Adult Protective Services Intake at 1-800-624-8404 (TTY 1-800-624-8404), or using the online form (<https://www.maine.gov/dhhs/oads/aging/aps/intake.shtml>), immediately or as soon as possible, if they suspect abuse, neglect, or exploitation of a dependent or incapacitated adult who does not have developmental disabilities. The Intake Unit is available to receive reports 24 hours a day.
2. For suspected child abuse by a caretaker or parent, WIC staff shall be legally required to make a report to the Child Protective Intake Unit of the Department of Health and Human Services at 1-800-452-1999 (TTY Maine Relay 711) immediately or as soon as possible, if the abuse of a child is by a caretaker or parent. The Intake Unit is available to receive

reports 24 hours a day. See Appendix OM-15-A Mandated Reporting Worksheet for information that may be asked when making a report to Child Protective Intake.

3. For suspected child abuse by someone other than the caretaker or parent, WIC staff must make a report to the appropriate county District Attorney's office:
 - 3.1 1st Prosecutorial District Attorney (York County)
207.363.7434
 - 3.2 2nd Prosecutorial District Attorney (Cumberland County)
207.871.8384
 - 3.3 3rd Prosecutorial District Attorney (Androscoggin/Franklin/Oxford Counties)
207.753.2500
 - 3.4 4th Prosecutorial District Attorney (Kennebec/Somerset Counties)
207.623.1156
 - 3.5 5th Prosecutorial District Attorney (Penobscot/Piscataquis Counties)
207.942.8552
 - 3.6 6th Prosecutorial District Attorney (Knox/Lincoln/Sagadahoc/Waldo Counties)
207.594.0424
 - 3.7 7th Prosecutorial District Attorney (Hancock/Washington Counties)
207.667.4621
 - 3.8 8th Prosecutorial District Attorney (Aroostook Counties)
207.498.2557

4. In making a report, State and Local Agency staff may disclose confidential applicant and participant information including the name and address of the child or adult; name and address of the person responsible for care, custody, or welfare of the child or dependent adult; and any other pertinent information concerning the alleged or suspected abuse without the consent of the participant or applicant to the extent necessary to comply with such law.
 - 4.1. When a report is made, all the information provided, when and to whom the information was given, must be documented in the client's file.
 - 4.2. State law requires mandated reporters to identify themselves when they call, however, confidentiality may be requested.
 - 4.3. Confidentiality means that the caseworker shall not reveal the reporter's identity unless the case goes to court.
 - 4.4. WIC staff may use their own judgment to determine what constitutes pertinent information and may refuse to release information requested by investigators if the information is not believed to be pertinent. CPS or APS may contact WIC clinics to assist with cases that did not stem from a report originally filed by WIC staff.

- 4.5. In this situation, WIC staff may inform the CPS or APS investigator about the federal WIC confidentiality provisions and the need for client permission to provide any information.
5. Child abuse or neglect means a threat to a child's health or welfare due to physical, mental or emotional injury, sexual abuse or exploitation, deprivation of essential needs or lack of protection from these by a parent or caregiver responsible for the child.
6. Examples of jeopardy to health or welfare of a child include but are not limited to:
 - 6.1. Deprivation of adequate food, clothing, shelter, supervision, care, or education when the child is at least age 7 and has not started school.
 - 6.2. Deprivation of necessary health care when the deprivation places the child in danger of serious harm.
 - 6.3. Abandonment of the child or absence of any person responsible for the child that creates a threat of serious harm.
 - 6.4. The end of voluntary placement, when the imminent return of the child to his or her custodian causes a threat of serious harm.
7. Reporting of suspected child or adult abuse does not constitute a violation of confidentiality provisions.
8. WIC staff who make a report in good faith are protected under the law from being sued in civil court.
9. Mandated reporter training may be accessed on the DHHS Child and Family Services website at <http://www.maine.gov/dhhs/ocfs/cps/>.
