

Maine Center for Disease Control and Prevention
Monthly STD/HIV Data Update
Cases diagnosed from January 1st to January 31st, 2009

This Monthly Update provides summary year-to-date (YTD) data about HIV and STD's in Maine. For each disease, the YTD total is shown and compared with the median* YTD total for the past five years. Please note that totals presented here may change because of reporting delays or pending epidemiologic investigations.
