

Maine Center for Disease Control and Prevention

# Monthly STD/HIV Data Update

Cases diagnosed from January 1<sup>st</sup> to February 28<sup>th</sup>, 2011

This Monthly Update provides summary year-to-date (YTD) data about HIV and STDs in Maine. For each disease, the YTD total is shown and compared with the median\* YTD values for the last five years. Please note that data presented here may change due to reporting delays or pending epidemiologic investigations.
