

## MAINE CDC BREAST AND CERVICAL HEALTH PROGRAM (MBCHP)

### MBCHP Screening Services

You must receive MBCHP covered services at the provider office you enrolled with:

- You need to call the MBCHP provider office to make an appointment
- Your MBCHP provider office and phone number is listed on your Client ID card

MBCHP will pay for an office visit if you have at least one of the following services:

- *Clinical breast exam* and/or;
- *Pelvic exam* and/or;
- *Pap test* alone or;  
*Pap test and HPV test (co-testing)*

Remember to ask your MBCHP provider to schedule you for a **mammogram**:

- You must provide your MBCHP Client ID Card at the mammography facility

### MBCHP Case Management 1-800-350-5180

The MBCHP Case Manager can help enrolled women find:

- Transportation assistance for MBCHP appointments
- Translation/language interpretation services
- Information on breast and cervical health issues
- Community resources for bills not covered by MBCHP
- Referral providers for recommended *Follow-up Testing* (see below)

### Follow-up Testing

Based on the results of your screening tests, your MBCHP provider may recommend that you receive additional testing. **Call the MBCHP Case Manager at 1-800-350-5180 if any additional testing is recommended.**

When ordered by your MBCHP provider, the program will pay for these follow-up tests:

- Diagnostic mammogram
- Breast ultrasound after a mammogram
- Surgical consult for possible breast or cervical cancer
- Fine needle aspiration of a breast cyst
- Breast biopsy (hospital charges are not covered)\*
- Colposcopy (magnified view of the cervix) with or without biopsy
- Cervical diagnostic excisional procedures (requires Case Manager authorization)
- Pathology charges for breast and cervical biopsies

#### \*About breast biopsies:

If your MBCHP provider recommends a breast biopsy, talk to the MBCHP Case Manager regarding coverage of hospital charges not covered by MBCHP.

### **MBCHP WILL NOT PAY FOR:**

- Blood Test
- Bone Density Test
- Chest X-ray
- Colonoscopy (examination of colon and rectum)
- Hysterectomy
- MRI (Magnetic Resonance Imaging)
- Pelvic Ultrasound
- Prescriptions (such as birth control and hormones)
- Stool Test
- Transvaginal Ultrasound
- Urine Test

### **IF YOU GET A BILL**

1. Do not delay or throw your bill away.
2. Call the billing provider and ask if they have your correct MBCHP Client ID number (A Number).
3. Make sure the service you received is an MBCHP covered service.
  - If the provider has your correct billing number and the service is covered by MBCHP:
    - Ask the billing provider why the bill was not paid.
    - Call MBCHP at 1-800-350-5180; please have your bill available when you call.
  - If you have other insurance:
    - Make sure to provide your insurance information to the billing provider and MBCHP.
    - Your insurance company must be billed before MBCHP can make any payment.

*For further information or questions about a bill, please call the MBCHP Medical Care Coordinator at 1-800-350-5180.*

**Still have questions or concerns about MBCHP covered and non-covered services?**
