Newborn Bloodspot Screening Program

In accordance with Chapter 283, Section 13.2, Hospitals and health care providers will receive a credit on future filter paper orders for repeat specimens that have been submitted. To receive the credit, hospitals and providers must submit to the Maine Newborn Screening Program a list of infants for whom repeat specimens were obtained.

REPORT OF REPEAT SPECIMENS SUBMITTED

Hospital or provider submitting repeat(s):_____

Address: _____

Name of Infant	Date of Birth	Date of Repeat Specimen

Name of personnel submitting form: _____ Phone: _____

Please fax completed form to the Maine Newborn Bloodspot Screening Program at 207-287-4743
