

## SPF SIG Monthly Summary June 2010

### Workgroups:

- **SPF Advisory Board:** Met on June 10, 2010. Next meeting scheduled for September 30, 2010.
  - With the SPF ending the board decided to rename the group the Prevention Advisory Board. Will need a new chair/co-chair to be decided at the next meeting.
  - Strategic Plan Process, OSA will be using CAPT contractor to develop an OSA Prevention Strategic Plan.
  - MIYHS update: We do have data but nothing is posted to the web handouts on how to compare new data to the old data were distributed.
  - SAMHSA and Grant updates: EUDL grant, DOE Bridging grant were applied for and OSA is waiting to hear whether awards have been granted. Also waiting for word on SEOW funding.
  - Presentations regarding "Getting to Outcomes", the SASC report card, and legislation updated were given.
  - Evaluation Updates included reviewing CESN report for trends and YADAUS results. The final SPF evaluation report plans were discussed.
- **Community Epidemiology Surveillance Network:** Did not meet this month. Next meeting is scheduled for October 2010.
- **Other Items:**
  - KIT PCW: Did not meet this month. Next meeting is scheduled for July 9, 2010.
  - June 7, 2010: HMP Leadership Council Meeting was held in Augusta.
  - OSA has almost finished the process of reviewing Block Grant Applications and renewing contracts for the Health Maine Partnerships and for the YSAPP and SIRP contracts. A few contracts are still in process, waiting for local signatures or materials.
  - OSA staff continues to collaborate with MCDCP and MDOE on HMP RFP Program Development work.
  - Prevention Provider Day is in the planning phases for the Fall and the planning committee will meet on June 30, 2010 to discuss more details. A survey monkey went out to grantees requesting preferred topics for the day. Steve Rowe (former Attorney General) will be asked to be the speaker at the event.
  - June 24 -26 the SPF Prevention Specialist attended "Project LAUNCH" which held its Summer Institute through The Caring Community Collaborative in partnership with the Passamaquoddy tribes at UMaine Machias.
  - The NEIAS/AdCare Prevention Summer School was held at St. Michael's College in Vermont on June 14-June 18 of which some SPF grantees attended.
