	<p>1658. Each Council is based on the DHHS Public Health Districts. The Councils goals are to increase graduation rates, decrease dropout rates, decrease juvenile incarceration, decrease child abuse and neglect, and increase work readiness and employment opportunities for youth. The Councils are funded by an AmeriCorp Vista grant and a host organization (South Portland School Department for Cumberland). There were several local groups working on similar issues interested in collaboration.</p>	
Flu/Pneumococcal Work Group	<p>Cathy Patnaude provided an update on the work of the Flu &amp; Pneumococcal Work Group. Members of work group will be meeting with the president and vice president of the superintendent's association to discuss the role of schools in vaccination efforts. There was a discussion around some of the issues that may prevent people from getting vaccinated.</p>	No action required.
Slate of Officers	<p>The Council lacked a quorum, as such, a vote could not occur.</p>	Shane will send out an email prompting an electronic vote.
