Cohen Community Center

22 Town Farm Road

Hallowell, ME

2 Day Basic Workshop:

Days 1 and 2 Only: \$ 215

Target Audience:

The workshop is appropriate for any staff with direct or ancillary care responsibilities of older adults with intellectual and developmental disabilities in both disability-related, health care, and aging-related agencies.

Description:

This highly interactive and evidence-informed workshop covers the basic concepts of care of an adult with ID and dementia. A wide range of topics are covered that directly relate to the unique challenges facing adults with intellectual disabilities who are at risk of or who have developed dementia. Staff will be able to incorporate and apply this knowledge to their professional roles immediately. Full agenda is available on the [workshop website](#).

3 Day NTG Affiliated Regional Trainer Workshop:

All 3 Days: \$270

Target Audience:

The workshop is appropriate for any staff as described above *who have prior training experience* and would like to become an NTG Affiliated Regional Trainer.

Description:

The first two days of the workshop cover the topics outlined in the 2 Day Basic Workshop. A third day is added and is devoted to understanding and delivering the full NTG Dementia Capable Care Curriculum. Affiliated trainers have access to greatly expanded topic modules, trainer manual, NTG continuing education webinars, and are mentored by NTG Master Trainers. NTG Affiliated Trainers are authorized to use NTG branded and copyrighted training materials to train within their own organization or to conduct training for outside agencies and organizations on a fee for service basis.

Workshop Topics Include:

- Introduction to Aging and ID
- Understanding Dementia in Adults with ID:
 - What is dementia?
 - How it present differently in adults with ID
- Early Detection and Screening for Dementia...Challenges & Resources.
