

**OCFS Provider Contract Performance Measures Report:
HCT Services Treatment Outcome Standard- 80% Do Not Access ITRT Within 1 Year of Discharge
(Includes MaineCare members and Courtesy Reviews done by APS)
10/01/2012 To 12/31/2012**

Report Source: Authorization data from APS CareConnection®

Definitions:

- **Courtesy Review** - APS completes courtesy reviews when a member is not MaineCare eligible at the time of admission, but is expected to be served using either MaineCare and/or state funds.
- **ITRT** - is an abbreviation for Intensive Residential Treatment. ITRTs provide residential treatment for youth under age 21 with mental illness or mental retardation or both. Crisis Units, Treatment Foster Care and Infant residential care are not included in the definition. In Maine, residential treatment is also called **PNMI**.
- **PNMI** stands for Private Non-Medical Institution (PNMI). PNMI's provide food, shelter, personal care, and treatment services to four or more residents in single or scattered site facilities. PNMI services are not provided in medical settings such as hospitals or nursing homes. There are four types of child PNMI as follows: Mental Health Level I & Level II and Mental Retardation Level I & Level II.
- **Home and Community Based Treatment (HCT)** is a higher intensity community-based mental health service than Outpatient Therapy but a lower intensity service than Children's Assertive Community Treatment (ACT). There are 3 types of HCT services.
 - **HCT** is the regular home and community based treatment service.
 - **HCT - FFT** is home and community based treatment service using the evidenced based treatment model of family functional
 - **HCT - MST** is home and community based treatment service using the evidenced based treatment model of multi-systems

What This Report Measures: The number of youth discharged from HCT and whether or not they enter residential treatment within one year of discharge. Note that this report is about youth discharged from services over a year ago. This allows time to pass before assessing the outcomes of treatment.

Total number of youth discharged from Home and Community Based Treatment: 792

Total number of youth who did NOT enter residential treatment within 1 Year: 741

Percent of youth who did NOT enter residential treatment within 1 Year: 94%
