

MaineCare Training on Void Functionality

The DHHS Office of MaineCare Services will be conducting training sessions for providers at various locations across the state on the void functionality that is being added to MeCMS in October. Morning and afternoon sessions will be held to accommodate provider schedules. Providers will have the opportunity to receive information, provide feedback, and ask questions regarding voiding claims and changes that are being implemented on the paper remittance statement.

Enrollment is on a first-requested, first-registered basis. We look forward to meeting with you.

Registration Contact: Valerie Mackenzie: vmackenzie@usm.maine.edu

By mail: Valerie Mackenzie

Muskie School of Public Service

45 Commerce Drive, Suite 11, Augusta, Maine 04330

By fax: (207) 626-5210
