

MaineCare Provider Training

DHHS MaineCare Services will offer training sessions for providers on the new emergency rule for Targeted Case Management, Section 13 in August 2009. The new rule will clarify duplicate services; eligibility; transitioning to one comprehensive case manger; new billing procedures and a change in reimbursement. Enrollment is on a first-requested, first-registered basis. Seating is limited.

Registration Forms may only be submitted by fax: (207) 287-8450

Attention: Customer Service TCM Training Registration
