

## ***ESN3***

*“Why are we here? What are we trying to achieve?  
Connecting people that were not connected before.”*

*The Employment Services Network was established as a resource to address the needs of those persons with mental illness wishing to make changes to their current education or employment status, and to better partner with Employers to provide support and education of services.  
The ESN shall report outcomes to the CSN (Community Services Network) monthly.*
