***Friday, September 18 from 1-3pm
at Cony Cemetery on Hospital Street in Augusta***

The Cemetery Project is an initiative to honor the memories of the individuals who died while patients of Augusta Mental Health Institution (AMHI). The Maine Cemetery Project Committee, in partnership with the Department of Health & Human Services, Office of Substance Abuse and Mental Health, has designed a memorial, dedicated to the 11,647 individuals who were interred while in our state's care. Please gather with us as we remember those who passed, recognizing that every life has value.
