Peer Supports and Services

Request For Information

The Office of Substance Abuse and Mental Health Services (SAMHS) and The Office of Child and Family Services (OCFS) are issuing a Request For Information (RFI) regarding Peer Supports and Services in Maine. A copy is posted to our website at <http://www.maine.gov/dhhs/samhs/peersupport/rfi-response-form.shtml> You may also request a copy of the RFI by contacting:

This RFI is one of the ways in which we are gathering stakeholder opinion about peer supports and peer services. We need to hear your voice and opinion regarding how Peer Supports and Services in Maine could be delivered in the future. We also will hold three FORUMS in Bangor, Augusta, and Portland. These forums provide an opportunity for persons, organizations, and agencies to share ideas with us as a part of the RFI process.

This is not a question and answer session. You do not have to attend the forum in order to submit a written response to the RFI. Registration is not required to attend a forum or participate in the RFI process.

The following meeting spaces and times are available:

Bangor

Dorothea Dix Psychiatric Center
656 State Street
New Auditorium
Wednesday, July 31st 1—3pm

Augusta

Department of Transportation Building
Capital Street – main entrance is across from Capital Park
Main Conference Room, 2nd Floor
