**Description:** North of Bean Island Frenchman Bay Sorrento Hancock County

**Species Cultivated:** mussel blue sea (*Mytilus edulis*)

**Cultivation Technique(s):** Bottom

**Conditions:** 1) Moorings are permitted within the lease site, to be set by the leaseholder in consultation with the mooring owner. 2) The lease site must be marked in accordance with both U.S. Coast Guard requirements and DMR Rule 2.80. 3) Dragging on the site is prohibited by anyone other than the leaseholder. Boating, recreational fishing and commercial fishing other than dragging are permitted on the site. 4) Should substantial changes in cultural techniques or increased levels of activity due to changes in operations occur on the lease site, the lessee must notify and consult in advance with MDIF&W to determine the status of eagle nesting activities on site BE-035D at the eastern point of Bean Island. 5) The lessee may, with written approval from the DMR, vary from these specifications and conditions provided the DMR determines that such operation pursuant to the variance would continue to satisfy all lease decision criteria. The Department's decision whether to approve a variance request is discretionary.
