Re: Aquaculture lease decision on application of Mook Sea Farms, Inc. to renew aquaculture lease DAM EL3 located east of Little Point, Damariscotta River, Newcastle for the bottom and suspended culture of American/Eastern oysters, European oysters, surf/hen clams, northern quahogs, soft clams, and bay scallops

To the Riparians and those on the mailing lists:

On October 12, 2016 the decision on the above-named aquaculture lease renewal application was signed and renewal granted by the Commissioner. This decision is considered the "final agency action" on the application. If you are receiving this notice by e-mail, a copy of the decision is attached. If you are receiving this notice by paper mail, you can view or download a copy of the decision on the Department's web site, www.maine.gov/dmr/aquaculture/leases/decisions/index.html. For a paper copy of the decision, please contact Cindy L. Burke at 624-6567 or cindy.l.burke@maine.gov.

In accordance with the Maine Administrative Procedure Act, 5 M.R.S. §11002, you have the right to seek judicial review of this decision. If you wish to bring an action for judicial review, you must do so within 40 days following the date of the Commissioner's signature on the final decision.

Sincerely,

Diantha C. Robinson
Aquaculture Hearing Officer
