NOTICE OF STANDARD LEASE APPLICATION

DATE: September 11, 2015

TO: Town of Chebeague
Riparian (shorefront) landowners within 1,000 ft. of proposed aquaculture lease site
General and Specific Mailing Lists for lease application #2015-16

The Department of Marine Resources has received a completed application for a standard (10-year, renewable) aquaculture lease submitted by Ocean Approved, LLC. The application is for suspended culture of sugar kelp, horsetail kelp, and winged kelp on a proposed site located west-southwest of Indian Point, Casco Bay, north of Little Chebeague Island, Chebeague, Cumberland County, Maine.

Go to http://www.maine.gov/dmr/aquaculture/pending_aquaculture_leases.htm to view the application on our web site. For a paper copy, please contact us as shown below.

The next step in the Department's process is the required site review, which is conducted by Jon Lewis, the DMR Aquaculture Environmental Coordinator. We will hold a public hearing on this application; we will notify you when it has been scheduled. Hearings are generally scheduled within six months to a year from the date application is declared complete. Information about how the public can participate in aquaculture lease hearings is available on our web site at <http://www.maine.gov/dmr/aquaculture/participation.htm>.

Paul Dobbins of Ocean Approved, LLC has asked us to encourage you to contact him directly to discuss any questions or concerns you may have about the possible future operation of this lease. His contact information is:
