Closed**

\*\*This conservation closure will automatically open for temporary harvest only when the Department of Marine Resources (DMR) closes pollution area WU, CA1 due to rainfall. This conservation closure will automatically resume when DMR pollution area WU, CA1 returns to the conditionally approved status.

This office approves of the George's Regional Shellfish Program's conservation measures. We appreciate your efforts to keep us informed on your conservation activities.

Sincerely,

Kohl Kanwit, Director, Bureau of Public Health and Aquaculture
