Click the Upload Accommodations button to open the Accommodations Upload page. From here, you may either download the accommodations upload template, or choose a previously created CSV file.

Clicking the Download Template link will download the correct file template needed to upload accommodations.

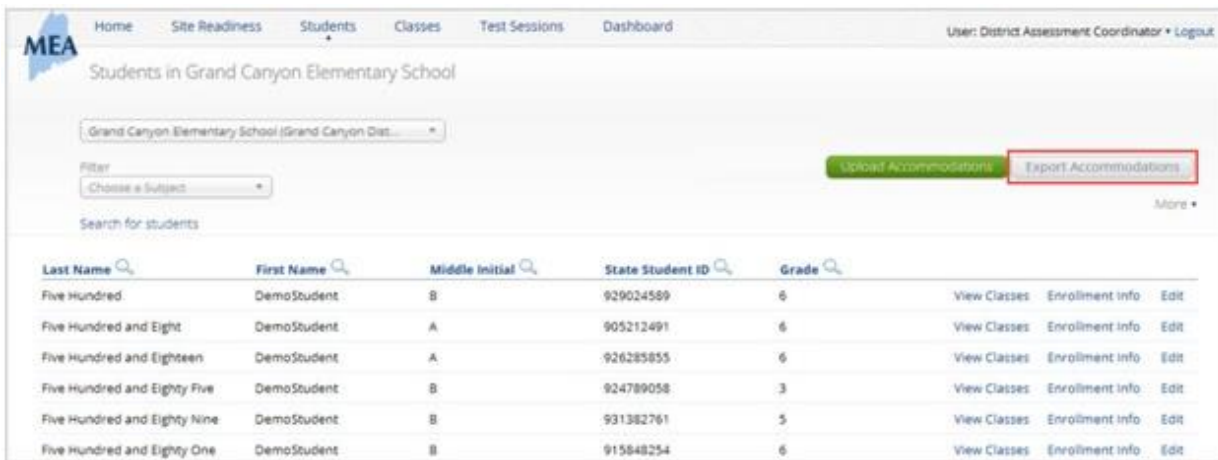

The Accommodations Upload template contains one column for the student ID number followed by a column for each accommodation. Enter a “1” to assign an accommodation to a student, a “0” to remove an assigned accommodation, or leave the cell blank to make no changes to a student’s accommodation assignment.

### NEW: Exporting Student Accommodations

Users may export accommodations for students using the **Export Accommodations** feature within the Students tab.

Click **Export Accommodations** to export the accommodations file.

A CSV file listing all students at the selected school, both with and without accommodations, will download to your device. The file will be in the same format and layout as an uploaded file, and, will also include the student names and corresponding State Student IDs.
