**Additional Information:**

The Interim report filed in December 2013 had inaccurate figures for the Non Tradition Training and Employment, Other Leadership Activities and Total State Administration. We ran queries to confirm the correct figures for expenditures. Our Final report (being filed in December 2014) has accurate figures for the finalization of the 2013 grant award.

The Perkins formula funds are split internally 50/50 between secondary and postsecondary, but within the actual financial year postsecondary receives less than 50% as they receive partial formula funding from the previous year's carryover in order to follow FIFO.
