Shown only for classes which have completed a fall semester. |
| Percent of Students Enrolled in College at Any Time During the First Year After High School (pp. 7-10) | Percentage of high school students who enrolled in a two- or four-year postsecondary institution in the academic year immediately following graduation. The first year after high school includes any college enrollment where a student had active enrollment between August 15 of the graduation calendar year and August 14 of the following calendar year.* |

| Percent of Students Enrolled in College the First year After High School Who Returned for a Second Year (pp. 17-20) | Percentage of students who remained enrolled (persisted) in postsecondary education from the first year to the second year. Note: The graphs show the percentage of students who remained enrolled at any postsecondary institution, not retention at the same institution. Shown only for classes which have completed the first two years after high school. |
| Percent of High School Class with a College Degree Within Six Years (pp. 22-25) | The six-year degree completion rate at two- and four- year institutions. When a student has a degree with an award date that is more than 6 years after high school year, it will not be counted in this report; it will be reported in the student-level Detail Report. Only associate's, bachelor's, and advanced degrees are counted in these rates. Certificates are not included in these counts but will be included in the student-level Detail Report. |
| Time to College Graduation Within Six Years (p. 27) | This graph shows the time to first degree broken down by the number of academic years since the students graduated from high school. |
| Class of XXXX Postsecondary Enrollment and Progress (each class year is on its own page) | <p>Progress of a single class of students (cohort) through postsecondary education up to eight years after high school graduation. Each segment of the bar chart corresponds to one of the following definitions:</p> <p>GRADUATED: Student has completed an associate's, bachelor's or higher degree (certificates are not included). Once a student is counted as a graduate, s/he is not counted again elsewhere in the report. Reports generated in between effective dates will be processed against the most recent effective date; no new data will be reported. |
