Only associate's, bachelor's, and advanced degrees are counted in these rates. Certificates are not included in these counts but will be included in the student-level Detail Report.   |
| Time to College Graduation Within Six Years (p. 27)  | This graph shows the time to first degree broken down by the number of academic years since the students graduated from high school.   |

| Effective Date                                 | Set by Clearinghouse's Research Center three times per year- Fall, Spring and Summer. The date will be noted in the Report File Name and within the StudentTracker application. The date is established to ensure that your StudentTracker reports provide the most comprehensive enrollment and degree data provided by the colleges and universities for a given period, and that all secondary education institutions are matched against the same set of post-secondary data. Reports generated in between effective dates will be processed against the most recent effective date; no new data will be reported. |
| High School Class (labeled by graduation year) | Includes all students who graduated high school between September 1 of the previous year and August 31 of the graduation year. Also referred to as a cohort.   |
