8) EnGiNE Educator Apps

Once your EnGiNE account has been authorized, and you have been assigned an Educator role, you will have access to the complete suite of EnGiNE apps pictured below. More information about the functions of all Apps can be found in the [EnGiNE Users Guide](#).

The screenshot displays the EnGiNE Educator dashboard. At the top left is the EnGiNE logo. The top right navigation bar includes the text "MAINE INNOVATIVE LEARNING MODELS", a dropdown arrow, an envelope icon, a grid icon, a bell icon, and a search icon. A red circle highlights the grid icon, which has opened a navigation menu. This menu contains the following items: My EnGiNE, My Profile, Settings, Communities, CreatED, ResourCED, LearnED, Calendar, and Log out. The main content area features a welcome message: "Welcome, Rhonda!" in a red box, followed by "What will you do today?" and a profile icon with the letter "R" and the text "Your Profile". Below this are three tabs: "My Activity" (selected), "My CreatED Rooms", and "EnGiNE Activities". The "My Activity" section shows a notification: "Rhonda RrevUser joined this collaboration room" with a timestamp of "2 weeks 1 day" and a "Welcome to EnGiNE!" message. On the right side, there is a "Recommended Resource" section with the text: "No recommendations found! Please complete the topics of interest section of your profile receive recommendations."
