

Five Reasons to Sign Up for SRTMS

STUDENT ROUTING AND TRANSPORTATION MANAGEMENT SYSTEM

The State of Maine is leading the nation in offering school districts a no-cost opportunity to access a comprehensive suite of software products and services from Transfinder to manage your pupil transportation department efficiently and safely.

Why should you sign up?

1. The State DOE undertook an intensive qualifying process to select the best available software system and project management team to enable you to access a full suite of products and services through your browser.
2. Besides the considerable savings you will realize from not having to invest in new or upgraded hardware to run the system, you will see recurring savings in your annual transportation budget – with no annual support (ASF) fees required for the system and technical support services.
3. You have access to a comprehensive suite of products and services, including:
4. Training is included. The State DOE is doing everything possible to make training on the new system as convenient as possible.
 - Scheduled for online access between 9:00am and 11:00am while your buses are back from their morning runs.
 - Customized with groups of districts similar in size and geographic profile.
 - Available on-demand if you miss a scheduled session, or want to move faster.
 - Access to regularly scheduled webinars to refresh or advance your knowledge.
5. All of the above is provided and managed by a team of leaders in the industry.
