Personal Services - Employee Benefits	Other Employee Benefits Paid for Other Employees	Employee benefits other than those classified in the 2000 object code series, including fringe benefits such as automobile allowances, housing or related supplements, moving expenses and paid parking.

Object Code 3000

Object	Title	Description
Purchased Professional and Technical Services		Services that by their nature can be performed only by persons or firms with specialized skills and knowledge. Although a product may or may not result from the transaction, the primary reason for the purchase is the service provided. Included are the services of architects, engineers, auditors, dentists, medical doctors, lawyers, consultants, teachers and accountants. It is recommended that a separate account be established for each type of service provided to the school administrative unit. Services purchased from another school administrative unit or from other government sources should be coded to the 5900 series of object codes.

Object Code 3100

Object	Title	Description
Purchased Professional and Technical Services	Official/Administrative Services	Services in support of the various policymaking and managerial activities of the school administrative unit. Included are management consulting activities oriented to general governance or business and financial management of the school administrative unit; school management support activities; and election services and tax assessing and collecting services.

Object Code 3110

Object	Title	Description
Purchased Professional and Technical Services	Administrative Services - Superintendent	Amounts paid for services of a Superintendent that are provided under a contractual agreement and not as an employee of the school administrative unit.

Object Code 3120

Object	Title	Description
Purchased Professional and Technical Services	Administrative Services, Fiscal	Amounts paid for financial services to the school administrative unit that are provided under a contractual agreement and not as an employee of the school administrative unit. This code should not include expenditures made to public accounting firms but should include payments made for the outsourcing of payroll or other fiscal services.

Object Code 3200

Object	Title	Description
Purchased Professional and Technical Services	Professional Educational Services	Services supporting the instructional program and its administration. Included are curriculum improvement services, assessment, counseling and guidance services, library and media support, and contracted instructional services.

Object Code 3210

Object	Title	Description
Purchased Professional and Technical Services	Professional Education Services - Accreditation	Amounts paid for services provided to the school administration unit to obtain or renew accreditation. Examples include: any expenses incurred by the accreditation consultant(s) including travel, lodging, and meals.

Object Code 3300

Object	Title	Description
Purchased Professional and Technical Services	Professional Employee Training and Development Services	Services supporting the professional development of the school administrative unit personnel, including instructional and administrative employees. Included are course registration fees (that are not tuition reimbursement), charges from external vendors to conduct training courses (at either the school unit facility or off-site), and other expenditures associated with training or professional development by third-party vendors. All expenditures should be captured in this account regardless of the type or intent of the training course or professional development activity.

Object Code 3310

Object	Title	Description
Purchased Professional and Technical Services	Employee Training on Student Assessment Systems	Services supporting the education of SAU staff on student assessment systems. Costs to be included here include assessment workshop registration fees and charges from external vendors to provide assessment workshops,

Object Code 3400

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services	Professional services other than educational services that support the operation of the school administrative unit. Included are medical doctors, lawyers, architects, auditors, accountants, therapists, audiologists, dieticians, editors, negotiations specialists, systems analysts, planners and the like.

Object Code 3410

Object	Title	Description
Other Professional Services	Assessment for Administration	Used by member municipalities of school unions to record payment of the assessment by the union for superintendency and central office services. All parts of the assessment would be included here as a consolidated payment.

Object Code 3420

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - Architect and Engineer	Expenditures for architect and engineering firms hired for construction projects.

Object Code 3421

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - A/E Reimbursable	Expenditures for architect and engineers that are reimbursable through bond sales on a state approved construction project.

Object Code 3422

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - Environmental Permitting	Expenditures associated with required environmental permits for construction projects.

Object Code 3423

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - Life Cycle Cost Analysis	Expenditures associated with life cycle cost analyses needed for construction projects.

Object Code 3424

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - Surveys and Soil Tests	Expenditures for surveys and soil tests associated with construction projects.

Object Code 3425

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - Site Search	Expenditures for site search fees incurred as a result of construction projects.

Object Code 3426

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - Bureau of General Services Fee	Expenditures for services provided during a construction project by the Maine State Bureau of General Services.

Object Code 3427

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - Clerk of the Works	Expenditures for services provided during a construction project by a Clerk of the Works.

Object Code 3428

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - Owner's Rep	Expenditures for services provided during a construction project by an Owner's Rep.

Object Code 3429

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - Commissioning	Expenditures associated with commissioning at the conclusion of a construction project.

Object Code 3430

Object	Title	Description
Purchased Professional and Technical Services	Other Professional Services - Adult Education Contracted Services	Contracted professional services for adult education that are eligible for state subsidy. Use only with Adult Education program codes.

Object Code 3440

Object	Title	Description
Other Professional Services	Special Education Contracted Services	Contracted professional services for special education programs. Examples are: Director of Services to Exceptional Children, Supervisor of Special Education, School Psychologist/Clinical Psychologist, Psychometrician/Psychological Examiner, Speech and Hearing Clinician/Speech Pathologist; Audiologist, Occupational Therapist, Physical Therapist, Social Worker, and Legal Services utilized for Special Education. Use this object code only with Special Education program codes.

Object Code 3450

Object	Title	Description
Other Professional Services	Legal Services	Amounts paid to lawyers and/or paralegals.

Object Code 3460

Object	Title	Description
Other Professional Services	Financial	Amounts paid to accountants, auditors or financial advisors.

Object Code 3490

Object	Title	Description
Other Professional Services	Other	Amounts paid for professional services not already detailed in the 3400 object code series.

Object Code 3500

Object	Title	Description
Purchased Professional and Technical Services	Technical Services	Services to the school administrative unit that are not regarded as professional, but that require basic scientific knowledge, manual skills, or both. Included are data processing services, purchasing and warehousing services, graphic arts and the like.

Object Code 3510

Object	Title	Description
Purchased Professional and Technical Services	Data Processing and Coding Services	Data entry, formatting, and processing services other than programming.

Object Code 3520

Object	Title	Description
Purchased Professional and Technical Services	Other Technical Services	Technical services other than data processing and related services.

Object Code 3590

Object	Title	Description
Technical Services	Other Technical Services - Other	Amounts paid for technical services not already detailed in the 3500 object code series.

Object Code 4000

Object Title

Purchased
Property
Services

Description

Services purchased to operate, repair, maintain, and rent property owned or used by the school administrative unit. These services are performed by persons other than school administrative unit employees. Although a product may or may not result from the transaction, the primary reason for the purchase is the service provided.

Object Code 4100

Object Title

Purchased
Property
Services
Utility Services

Description

Expenditures for utility services other than energy services supplied by public or private organizations. Water and sewage are included here. Telephone is not included here; it is included under the 5300 object code series.

Object Code 4200

Object Title

Purchased
Property
Services
Cleaning Services

Description

Services purchased to clean buildings (apart from services provided by school administrative unit employees).

Object Code 4300

Object Title

Purchased
Property
Services
Repair and Maintenance Services

Description

Expenditures for repairs and maintenance services not provided directly by school administrative unit personnel.

Object Code 4310

Object Title

Purchased
Property
Services
Non-Technology-Related Repairs
and Maintenance

Description

Contracts and agreements covering the upkeep of buildings and non-technology equipment. Do not include costs for renovating or remodeling here; those are appropriately coded under 4500.

Object Code 4311

Object	Title	Description
Purchased Property Services	Photocopier Service Agreement	

Object Code 4320

Object	Title	Description
Purchased Property Services	Technology-Related Repairs and Maintenance	Expenditures for repairs and maintenance services for technology equipment that are not directly provided by school administrative unit personnel. This includes ongoing service agreements for technology hardware. Use with function codes 2230 and 2580.

Object Code 4330

Object	Title	Description
Purchased Property Services	Software Repairs and Maintenance	Costs for repairs and maintenance services for software that are not directly provided by the school administrative unit personnel. Include costs for software maintenance agreements here.

Object Code 4390

Object	Title	Description
Purchased Property Services	Other Repairs and Maintenance Services	Amounts paid to independent contractors, not employees, not previously accounted for in the 4300 object code series.

Object Code 4400

Object	Title	Description
Purchased Property Services	Rentals	Costs for renting or leasing land, buildings, equipment and vehicles.

Object Code	4410	
Object	Title	Description
Purchased Property Services	Renting Land and Buildings	Expenditures for leasing or renting land and buildings for both temporary and long range use by the school administrative unit. Code only that portion of expenditures here that is approved by the Maine Department of Education; code the unapproved portion to object code 4450.

Object Code	4411	
Object	Title	Description
Purchased Property Services	Renting Land and Buildings - Lease Purchases	Expenditures for lease purchases of land and buildings by the school administrative unit. Code only that portion of expenditures here that is approved by the Maine Department of Education; code the unapproved portion to object code 4451.

Object Code	4420	
Object	Title	Description
Purchased Property Services	Rental of Equipment and Vehicles	Expenditures for leasing or renting equipment or non-student transportation vehicles for both temporary and long-range use by the school administrative unit. Do not include costs associated with the rental of computers or other technology-related equipment; these are properly coded to object code 4430.

Object Code	4430	
Object	Title	Description
Purchased Property Services	Rentals of Computers and Related Equipment	Expenditures for leasing or renting computers and related equipment for both temporary and long-range use.

Object Code	4432	
Object	Title	Description
Purchased Property Services	Rental of Software	Expenditures for renting or leasing computer software for temporary or long term use.

Object Code	4440	
Object	Title	Description
Purchased Property Services	Rentals of Other Equipment	Expenditures for leasing or renting non-technology equipment for both temporary and long range use, such as photocopiers. Code technology equipment to object code 4430.

Object Code	4445	
Object	Title	Description
Purchased Property Services	Rentals of Other Equipment	Copier leases

Object Code	4450	
Object	Title	Description
Purchased Property Services	Renting Land and Buildings - Lease Agreements	Amounts paid for leasing or renting of land and buildings for temporary use that are not approved by the Maine Department of Education.

Object Code	4451	
Object	Title	Description
Purchased Property Services	Renting Land and Buildings - Lease Purchase Agreements	Amounts paid for the lease purchase for land and buildings that are not approved by the Maine Department of Education.

Object Code	4500	
Object	Title	Description
Purchased Property Services	Construction Services	Includes amounts for constructing, renovation, and remodeling buildings or infrastructure assets paid to contractors; also used to account for the costs of non-permanent site improvements such as fencing, walkways, and roads that are related to buildings and building sites. To be used only with the following function codes: 2690 and/or the 4000 series.

Object Code 4510

Object	Title	Description
Purchased Property Services	Construction Services - Site Development	Expenditures necessary to prepare the approved site for construction of a facility.

Object Code 4900

Object	Title	Description
Purchased Property Services	Other Purchased Property Services	Purchased property services that are not classified elsewhere in the 4000 series. Do not include communication services here; they are properly coded to object code series 5300.

Object Code 5000

Object	Title	Description
Other Purchased Services		Amounts paid for services rendered by organizations or personnel not on the payroll of the school administrative unit (separate from Professional and Technical Services or Property Services). Although a product may or may not result from the transaction, the primary reason for the purchase is the service provided.

Object Code 5100

Object	Title	Description
Other Purchased Services	Student Transportation Services	Expenditures for transporting children to and from school and other activities (apart from transportation services provided by employees of the school administrative unit). Used only with 2700 function code series.

Object Code 5110

Object	Title	Description
Other Purchased Services	Student Transportation Purchased From Another School Administrative Unit Within the State	Amounts paid to other school administrative units within the state for transporting children to and from school and school-related events. Used only with 2700 function code series.

Object Code 5120

Object	Title	Description
Other Purchased Services	Student Transportation Services Purchased from Another School Administrative Unit Outside the State	Payments to other school administrative units outside the state for transporting children to and from school and school-related events. Used only with 2700 function code series.

Object Code 5130

Object	Title	Description
Other Purchased Services	Room & Board	Amounts approved by the Commissioner and paid for boarding and/or meals for special education students or for students living in remote locations in lieu of transportation. Used only with 2700 function code series.

Object Code 5140

Object	Title	Description
Other Purchased Services	Student Transportation Purchased from Private Sources	Used only with 2700 function code series.

Object Code 5190

Object	Title	Description
Other Purchased Services	Student Transportation Purchased From Other Sources	Payments to persons or agencies other than school administrative units for transporting children to and from school and school-related events. Used only with 2700 function code series.

Object Code 5200

Object	Title	Description
Other Purchased Services	Insurance (Other Than Employee Benefits)	Expenditures for all types of insurance coverage, including property, liability, and fidelity. Insurance for group health is not charged here but under object code series 2000.

Object Code 5210

Object	Title	Description
Other Purchased Services	Insurance - Building and Contents	Expenditures for property (building and content) insurance coverage.

Object Code 5300

Object **Title**

Other Purchased Communications
Services

Description

Services provided by persons or businesses to assist in transmitting and receiving messages or information. This category includes telephone and voice communication services, telephone, and voicemail; data communication services to establish or maintain computer-based communications, networking, and Internet services; video communications services to establish or maintain one-way or two-way video communications via satellite, cable or other devices; postal communications services to establish or maintain postage machine rentals, postage, express delivery services, or couriers.

Object Code 5310

Object **Title**

Other Purchased Communications - Postage
Services

Description

Amounts paid for postage and postage machine rental.

Object Code 5320

Object **Title**

Other Purchased Communications - Telephone
Services

Description

Amounts paid to a provider for telephone services.

Object Code 5330

Object **Title**

Other Purchased Internet Connectivity
Services

Description

Object Code 5400

Object Title

Other Purchased Advertising
Services

Description

Expenditures for announcements in professional publications, newspapers, or broadcasts over radio and television. These expenditures include advertising for such purposes as personnel recruitment, legal ads, new and used equipment, and sale of property. Costs for professional advertising firms or public relations services should not be coded here; they are appropriately coded under the 3400 object code series.

Object Code 5500

Object Title

Other Purchased Printing and Binding
Services

Description

Expenditures for job printing and binding, usually according to specifications of the school administrative unit. This includes designing and printing forms and posters, as well as printing and binding school administrative unit publications. Preprinted standard forms are not charged here but are appropriately coded under the 6100 object code series.

Object Code 5600

Object Title

Other Purchased Tuition
Services

Description

Expenditures to reimburse other educational agencies for instructional services to students residing within the legal boundaries for the paying school administrative unit.

Object Code 5610

Object Title

Other Purchased Tuition to Other School
Services Administrative Units Within the
State

Description

Amounts paid for tuition to other school administrative units within the State.

Object Code 5612

Object Title

Other Purchased Tuition Payment for K-2 Targeted
Services Funds

Description

Portion of tuition paid to meet rule requirement of K-2 targeted funds.

Object Code 5613

Object	Title	Description
Other Purchased Services	Tuition Payment for Instructional Technology Targeted Funds	Portion of tuition payment applicable to fulfilling rule requirement for instructional technology targeted funds expenditures.

Object Code 5614

Object	Title	Description
Other Purchased Services	Tuition Payment for Standards Based System Targeted Funds	Portion of tuition payment applicable to fulfilling rule requirement for a standards based system targeted fund expenditure.

Object Code 5620

Object	Title	Description
Other Purchased Services	Tuition to Other School Administrative Units Outside the State	Amounts paid for tuition to other school administrative units outside the State.

Object Code 5630

Object	Title	Description
Other Purchased Services	Tuition to Private Sources	Tuition paid to private schools.

Object Code 5640

Object	Title	Description
Other Purchased Services	Tuition to Educational Service Agencies Within the State	Payments to agencies such as regional educational service centers for educational services to students; most often, these payments are based on a cost-sharing agreement that is established by the regional organization and accepted by the participants/members. Examples of transactions delineated under this code include regional assessments for elementary/secondary programs, special education assessments for regional programs, career and technical region or center assessments.

Object Code 5643

Object	Title	Description
Other Purchased Services	Tuition to Educational Service Agencies Within the State for Instructional Technology Targeted Funds	Portion of regional assessment or tuition payment applicable to fulfilling rule requirement for instructional technology targeted funds expenditures.

Object Code 5644

Object	Title	Description
Other Purchased Services	Tuition to Educational Service Agencies Within the State for Standards Based System Targeted Funds	Portion of regional assessment or tuition payment applicable to fulfilling rule requirement for standard based system targeted funds expenditures.

Object Code 5650

Object	Title	Description
Other Purchased Services	Tuition to Educational Service Agencies Outside the State	Tuition paid to agencies such as regional educational service centers for educational services to students.

Object Code 5660

Object	Title	Description
Other Purchased Services	Tuition to Charter Schools	Tuition paid to charter schools for services provided in accordance with the established charter for that school.

Object Code 5670

Object	Title	Description
Tuition	Tuition to School Administrative Units for Voucher Payments	Tuition paid to school administrative units for students utilizing a state or local voucher program.

Object Code 5680

Object	Title	Description
Other Purchased Services	Tuition to Private Schools - Insured Value Factor	Additional statutory tuition payments made to non-public schools to offset the costs to that private school for building and maintaining its facilities.

Object Code 5690

Object **Title**

Other Purchased Tuition - Other
Services

Description

Tuition paid to the state and other governmental organizations as reimbursement for providing specialized instructional services to students residing within the boundaries of the paying school administrative unit.

Object Code 5700

Object **Title**

Other Purchased Food Service Management
Services

Description

Expenditures for operation of a local food service facility by other than employees of the school administrative unit. Included are contracted services, such as food preparation, associated with the food service operation. Direct expenditures by the school administrative unit for food, supplies, labor, and equipment would be charged to the appropriate object codes under function code 3100.

Object Code 5800

Object **Title**

Other Purchased Travel
Services

Description

Expenditures for transportation, meals, hotel and other expenditure/expenses associated with staff travel for the school administrative unit. Payments for per diem in lieu of reimbursements for subsistence (room and board) are also charged here.

Object Code 5801

Object **Title**

Other Purchased Travel - mileage
Services

Description

Object Code 5802

Object **Title**

Other Purchased Travel - lodging
Services

Description

Object Code	6110	
Object	Title	Description
General Supplies	Equipment and Furniture, Instructional, Non-Capitalized	Expenditures for equipment and furniture that are purchased for student instruction purchases and that do not meet the school unit's capitalization threshold.

Object Code	6120	
Object	Title	Description
Supplies	Instructional Supplies - Art	

Object Code	6121	
Object	Title	Description
Supplies	Instructional Supplies - Family and Consumer Science	

Object Code	6122	
Object	Title	Description
Supplies	Instructional Supplies - Tech Ed	

Object Code	6123	
Object	Title	Description
Supplies	Instructional Supplies - Science	

Object Code	6128	
Object	Title	Description
Supplies	Instructional Supplies -Physical Education	

Object Code	6400	
Object	Title	Description
Supplies	Books and Periodicals	Expenditures for books, textbooks, and periodicals, in paper or CD Rom format, including any reference and library books. 		Examples include: Encyclopedia (hardcover or CD Rom), Adult-Ed textbooks, magazines, classroom textbooks and workbooks.

Object Code	6410	
Object	Title	Description
Supplies	Books and Periodicals; Textbooks - Hardcover	Amounts paid for hardcover textbooks.

Object Code	6420	
Object	Title	Description
Supplies	Books and Periodicals; Textbooks - Softcover	Amounts paid for softcover textbooks.
		Examples include: Workbooks, paperback, trade manuals.

Object Code	6430	
Object	Title	Description
Supplies	Books and Periodicals; Periodicals	Amounts paid for periodicals, including paper and CD format.
		Examples: Subscriptions, newspapers, magazines, journals.

Object Code 6500

Object **Title**

Supplies Technology-related Supplies

Description

Technology-related supplies include supplies that are typically used in conjunction with technology-related hardware or software. Some examples are diskettes, parallel cables, and monitor stands as well as personal computers and other technology items that fall below the school administrative unit's capitalization threshold.

Object Code 6600

Object **Title**

Supplies Audiovisual Supplies

Description

Expenditures for optical, electronic and other devices and related supplies which are designed to enhance learning through the combined senses of hearing and sight; for example, films and television.

Object Code 6700

Object **Title**

Supplies Student Transportation Vehicle
Parts and Supplies

Description

Amounts paid for parts used in the repair and maintenance of the school administrative unit's student transportation vehicles. Used with Function 2700.

Examples include: Tires, engine parts, oil, transmission.

Object Code 6800

Object **Title**

Supplies Construction Supplies

Description

Supplies needed to support new school construction or an addition. Examples include items purchased by Architects and Engineers that are reimbursable through bond proceeds.

Object Code 6900

Object **Title**

Supplies Other Supplies

Description

Expenditures for supplies not otherwise delineated in the 6000 object code series

Object Code 7000

Object Title

Property

Description

Expenditures for acquiring capital assets, including land, existing buildings, existing infrastructure assets and equipment that meet the defined criteria under equipment object codes.

Object Code 7100

Object Title

Property

Land and Land Improvements

Description

Expenditures for the purchase of land and the improvements thereon. Purchases of air rights, mineral rights, and the like are included here. Also included are special assessments against the school administrative unit for capital improvements such as streets, curbs, and drains. Not included here, but generally charged to other appropriate objects, are expenditures for improving sites and adjacent ways after acquisition by the school administrative unit.

Object Code 7200

Object Title

Property

Buildings

Description

Expenditures for acquiring existing buildings. Included are expenditures for installment or lease payments (except interest) that have a terminal date and result in the acquisition of buildings, but not including payments approved under the Department of Education lease purchase or lease conversion program. Do not include any expenditures resulting from repairs, renovations, or alterations to the existing building; these expenditures should be reported under their appropriate object codes. Expenditures for the contracted construction of buildings, for major permanent structural alterations, and for the initial or additional installation of service systems in existing buildings are recorded under object 4500. Buildings built and alterations performed by the school unit's own staff are charged accordingly.

Object Code 7300

Object **Title**

Property Equipment

Description

Object Code 7301

Object **Title**

Property Equipment

Description

Expenditures for the initial, additional, and replacement items of equipment, such as machinery, furniture and fixtures, and vehicles other than those used for student transportation, that are under a school unit's capitalization threshold but group control of the item is need and it meets other equipment criteria as follows: serves its principal purpose for more than one year; is more feasible to repair than replace with an entirely new unit;retains its original shape, appearance and character with use; retains its identity through fabrication or incorporation into a different or more complex unit or substance.

Object Code 7310

Object **Title**

Property Equipment - Machinery

Description

Expenditures for equipment usually composed of a complex combination of parts (excluding vehicles). Examples include: lathes, drill press, printing press.To be classified as equipment, the machinery must meet meet all the following criteria: serves its principal purpose for more than one year; is more feasible to repair than replace with an entirely new unit;retains its original shape, appearance and character with use; retains its identity through fabrication or incorporation into a different or more complex unit or substance.

Object Code 7311

Object **Title**

Property Machinery

Description

Expenditures for equipment usually composed of a complex combination of parts (excluding vehicles) but the amount expended is less than a school unit's capitalization threshold. Additionally, group control of the item is needed and it meets the following criteria for equipment: serves its principal purpose for more than one year; is more feasible to repair than replace with an entirely new unit; retains its original shape, appearance and character with use; retains its identity through fabrication or incorporation into a different or more complex unit or substance.

Object Code 7320

Object **Title**

Property Equipment - Vehicles (Other than Student Transportation)

Description

Expenditures for equipment used to transport items and employees associated with operation and maintenance of the school administrative unit. To be classified as equipment, the vehicle must meet all the following criteria: serves its principal purpose for more than one year; is more feasible to repair than replace with an entirely new unit; retains its original shape, appearance and character with use; retains its identity through fabrication or incorporation into a different or more complex unit or substance. Do not use this object code for expenditures associated with the cost of purchasing student transportation vehicles; use object code 7360.

Object Code 7340

Object	Title	Description
Property	Equipment - Technology-Related Hardware	Expenditures for technology-related equipment and technology infrastructure. These costs include those associated with the purchase of network equipment, servers, PCs, printers, other peripherals, and devices. Costs coded here meet or exceed a school unit's capitalization threshold. To be classified as equipment, the item must meet all the following criteria: serves its principal purpose for more than one year; is more feasible to repair than replace with an entirely new unit; retains its original shape, appearance and character with use; retains its identity through fabrication or incorporation into a different or more complex unit or substance.

Object Code 7341

Object	Title	Description
Property	Technology Related Hardware	Expenditures for technology-related equipment and technology infrastructure. These costs include those associated with the purchase of network equipment, servers, PCs, printers, other peripherals, and devices. Costs coded here do not meet a school unit's capitalization threshold but group control of the item is needed and the item meets all of the other equipment criteria: serves its principal purpose for more than one year; is more feasible to repair than replace with an entirely new unit; retains its original shape, appearance and character with use; retains its identity through fabrication or incorporation into a different or more complex unit or substance.

Object Code 7360

Object **Title**

Property Student Transportation Vehicles

Description

Expenditures for equipment used to transport students to and from school and back, as well as for extra-curricular and co-curricular activities and field trips. These vehicles should conform to all state and federal statutes and rules for safe student transportation. To be classified as equipment, the vehicle must meet meet all the following criteria: serves its principal purpose for more than one year; is more feasible to repair than replace with an entirely new unit;retains its original shape, appearance and character with use; retains its identity through fabrication or incorporation into a different or more complex unit or substance. Also code here any after market modifications to student transportation vehicles that meet the school unit's asset threshold, such as a lift.

Object Code 7390

Object **Title**

Property Other Equipment

Description

Expenditures for all other equipment not classified elsewhere in the 7300 object series and that meet or exceed a school unit's capitalization threshold. To be classified as equipment, the item must meet meet all the following criteria: serves its principal purpose for more than one year; is more feasible to repair than replace with an entirely new unit;retains its original shape, appearance and character with use; retains its identity through fabrication or incorporation into a different or more complex unit or substance.

Object Code 7391
Object **Title**
Property Other Equipment

Description

Expenditures for all other equipment not classified elsewhere in the 7300 object series that does not meet the capitalization threshold but needs group control and meets all the other equipment criteria as follows: serves its principal purpose for more than one year; is more feasible to repair than replace with an entirely new unit; retains its original shape, appearance and character with use; retains its identity through fabrication or incorporation into a different or more complex unit or substance.

Object Code 7400
Object **Title**
Property Infrastructure

Description

Expenditures for purchased infrastructure assets by the school administrative unit. These items include water/sewer systems, roads, bridges, and other assets that have significantly longer useful lives than other capital assets.

Object Code 7410
Object **Title**
Property Infrastructure - Communication

Description

Expenditures for purchased infrastructure assets pertaining to communication; most commonly with a school construction project.

Object Code 7900
Object **Title**
Property Depreciation

Description

The portion of the cost of a capital asset that is charged as an expense during a particular period. In accounting for depreciation, the costs of a capital asset, less any salvage value, is apportioned over the estimated service life of such an asset, and each period is charged with a portion of such cost. Through this process, the cost of the asset is ultimately charged off as an expense.

Object Code	8150	
Object	Title	Description
Debt Service and Miscellaneous	Fingerprinting Fees	Fees paid by the school administrative unit for required employee fingerprinting.

Object Code	8200	
Object	Title	Description
Debt Service and Miscellaneous	Judgments Against the School Administrative Unit	Expenditures from current funds for all judgments (except as indicated below) against the school administrative unit that are not covered by liability insurance, but are of a type that might have been covered by insurance. Only amounts paid as the result of court decisions are recorded here. Judgments against the school administrative unit resulting from failure to pay bills or debt service are recorded under appropriate expenditure accounts as though the bills or debt service had been paid when due.
