April 2, 2007 EPS Report Certification Form – Due April 30, 2007*

Name of School Administrative Unit: _____

Please submit a certification form for each school administrative unit (Municipality, S.A.D. or C.S.D.). A school union is not a school administrative unit, so please do not submit an EPS Report certification form for a school union – each municipality in a school union must each submit a separate EPS Report certification form.

I certify that the information contained in the EPS Report for April 2, 2007 is accurate to the best of my knowledge and belief.

*If this certification is not received by April 30, 2007, it will be assumed that the information in the April 2, 2007 EPS report is correct.
