This question did not distinguish between different OSHA card types. Any and all positive OSHA responses were grouped as "Yes"

Question: How many programs offer an OSHA Card?

This question did not distinguish between different OSHA card types.
Any and all positive OSHA responses were grouped as "Yes"

MDOE-CTE Hypothesis

There are 4 major category of OSHA Cards:

OSHA 10--General

OSHA 10--Construction

OSHA 30--General

OSHA 30--Construction

If the program seemed to fit into one of these, it was assigned a "Possible" rating.

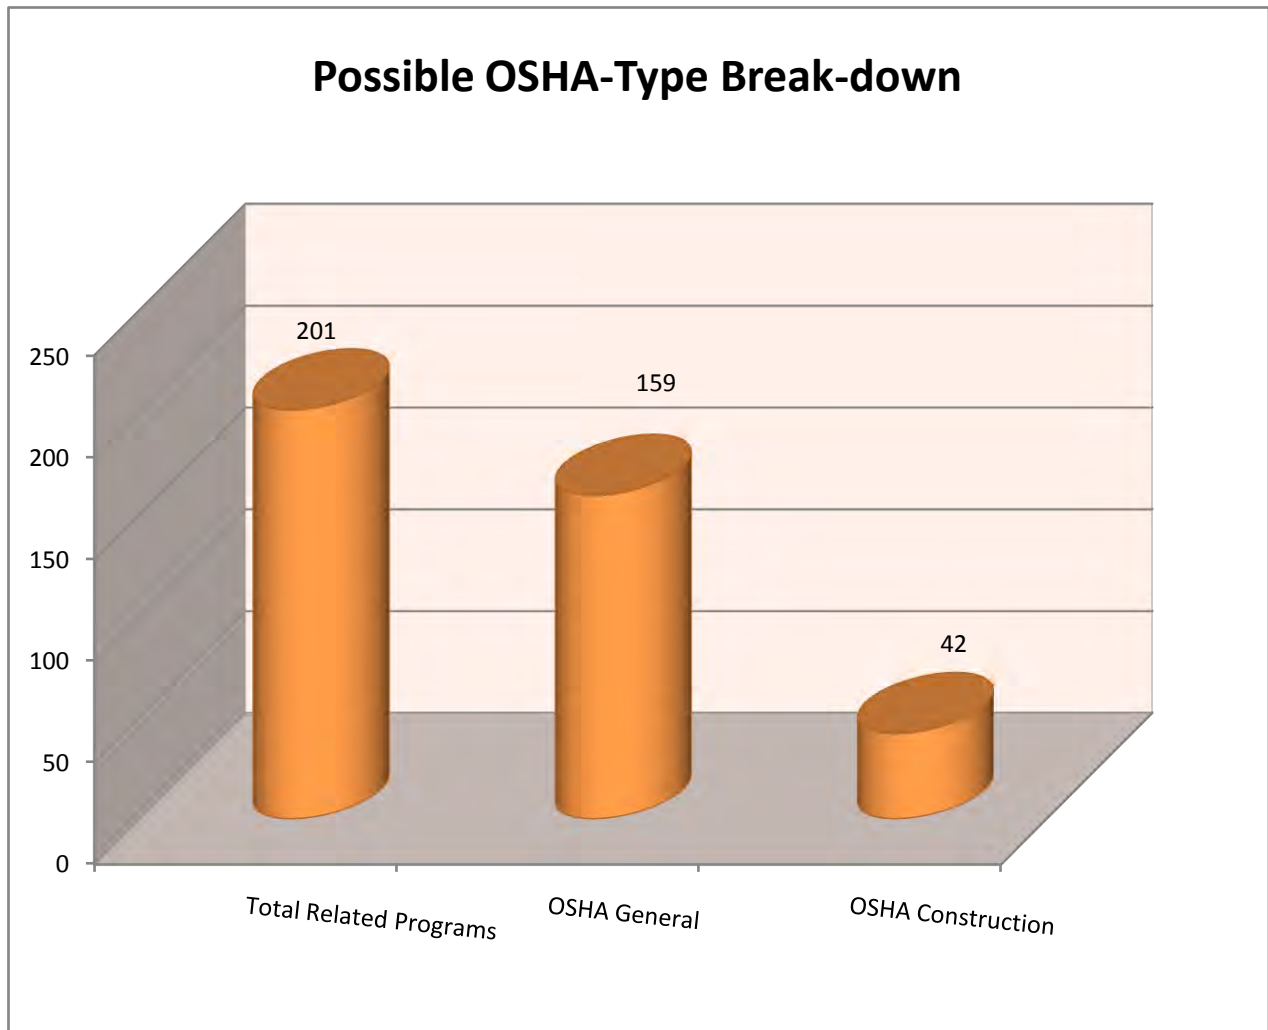

If the program did not fit appear to fit, it was assigned a "Non-Related" rating.

****Note****

This is just an estimate.

Before a program would be assigned a rating, the program's related stakeholders would review to make the assignment.
