Subject: 0203 PAAP Informational Email #1
Hello and Happy Holidays!

Here is your first PAAP Informational Newsletter for the 2002-03 PAAP Workshop Series.

This email is to establish one of your roles as a Contact Person.

You have been sent this email, because you have been designated by someone in your district as a Contact Person for the PAAP Workshop Series. Some of you might not be attending this year's workshop series, however, we have kept you in the database so that we can provide you with continuous updates in the world of the PAAP. As a Contact Person, one of your responsibilities is to get this email out to all of your participants from LAST YEAR and THIS YEAR (both Rounds) in the PAAP Workshop Series. If you believe that you have received this email in error, or if you are unable to forward, or otherwise get these emails out to ALL of your participants, please contact me immediately with the information for a new Contact Person.

Attached (in rtf format) is a complete listing of the Contact Persons in our database for all the years of the PAAP Workshop Series. The listing is alphabetical by last name. ***Please look carefully through the list and email me with any missing fields and/or changes to your personal, or district's, information.*** (The field CP Years refers to the years that you have been a Contact Person, i.e. Last Year=0102, This Year=0203, Both Years=010203.) I do need ALL of the information to make this process as efficient as possible. If you see multiple Contact People for your district it would be helpful for everyone if they could be combined, if at all possible.

THIS EMAIL AND THIS EMAIL ONLY DOES NOT NEED TO BE DISTRIBUTED AMONG YOUR PARTICIPANTS UNLESS YOU WOULD LIKE TO.

Thank you very much, and watch your email. I will be sending out another PAAP Informational email in this afternoon which will address many of the questions and issues which arose at multiple sites.

NOTE: The State of Maine has re-branded their email addresses. As of today all of our email addresses end in @maine.gov. The old ones will still be active for a while, but please make the following changes in your address books:

melanie.bachinski@maine.gov
linda.parkin@maine.gov
mona.baker@maine.gov
