

The 2008-09 Maine High School Assessment SAT® Bulk Transmittal Form

Submit this form with all of your third-year public high school students' SAT® Registration Forms for State of Maine testing on **May 2, 2009**. Please make a copy of this form and include a copy with each shipment of Registration Forms you submit. This form is also available on the Maine Department of Education Web site. Bulk Transmittal Forms and registrations can be submitted to the College Board as early as March 1, **but no later than March 31, 2009**.

Please follow these three easy steps:

- ① Under "School Information," fill in your school and contact information to enable us to contact you if we find any problems with your students' registrations.
- ② Check and tally the registrations that you will be enclosing, and under "Registration Information," enter the total in "Number of Student Registrations enclosed." The test type, test date, and customer order number are prefilled in.
- ③ Ship this Bulk Transmittal Form together with all your student Registration Forms to:

Students must fill out **all required fields** on the Registration Form. Missing information will cause delays in registration processing.
