

Testing Sessions and Time: Grades 3 and 4

Test Session	Test Activity	Scheduled Time* (in minutes)
General Instructions	General testing directions	5
Reading Session 1	Directions	5
	Testing (14 multiple choice and 3 constructed response)	90
Reading Session 2	Directions	5
	Testing (14 multiple choice and 3 constructed response)	90
Reading Session 3	Directions	5
	Testing (14 multiple choice and 3 constructed response)	90
Mathematics Session 1	Directions	5
	Testing – Non-calculator (12 multiple choice and 11 short answer)	90
Mathematics Session 2	Directions	5
	Testing – Calculator (16 multiple choice and 8 short answer)	90
Mathematics Session 3	Directions	5
	Testing – Calculator (16 multiple choice and 7 short answer)	90
Student Questionnaire	Questionnaire	20

* Although 90 minutes are scheduled for each session, in past years the vast majority of students finished in 75 minutes or less.

Testing Sessions and Time: Grades 5 and 8

Test Session	Test Activity	Scheduled Time* (in minutes)
General Instructions	General testing directions	5
Reading Session 1	Directions	5
	Testing (14 multiple choice and 3 constructed response)	90
Reading Session 2	Directions	5
	Testing (14 multiple choice and 3 constructed response)	90
Reading Session 3	Directions	5
	Testing (14 multiple choice and 3 constructed response)	90
Mathematics Session 1	Directions	5
	Testing – Non-calculator (13 multiple choice, 6 short answer, and 2 constructed response)	90
Mathematics Session 2	Directions	5
	Testing – Calculator (14 multiple choice, 6 short answer, and 2 constructed response)	90
Mathematics Session 3	Directions	5
	Testing – Calculator (14 multiple choice, 6 short answer, and 2 constructed response)	90
Writing Session 1	Directions	5
	Testing (10 multiple choice and 3 constructed response)	90
Writing Session 2	Directions	5
	Testing (3 short answer and 1 extended writing prompt)	90
Student Questionnaire	Questionnaire	20

* Although 90 minutes are scheduled for each session, in past years the vast majority of students finished in 75 minutes or less.

Testing Sessions and Time: Grades 6 and 7

Test Session	Test Activity	Scheduled Time* (in minutes)
General Instructions	General testing directions	5
Reading Session 1	Directions	5
	Testing (14 multiple choice and 3 constructed response)	90
Reading Session 2	Directions	5
	Testing (14 multiple choice and 3 constructed response)	90
Reading Session 3	Directions	5
	Testing (14 multiple choice and 3 constructed response)	90
Mathematics Session 1	Directions	5
	Testing – Non-calculator (13 multiple choice, 6 short answer, and 2 constructed response)	90
Mathematics Session 2	Directions	5
	Testing – Calculator (14 multiple choice, 6 short answer, and 2 constructed response)	90
Mathematics Session 3	Directions	5
	Testing – Calculator (14 multiple choice, 6 short answer, and 2 constructed response)	90
Student Questionnaire	Questionnaire	20

* Although 90 minutes are scheduled for each session, in past years the vast majority of students finished in 75 minutes or less.
