David Wallace, Superintendent  
Brunswick School Department  
35 Union Street  
Brunswick, ME 04011

Dear Superintendent Wallace:

Thank you for the Alternative Plan that you submitted on behalf of Brunswick School Department on November 30, 2007 for Department review for compliance with the school reorganization law, P.L. 2007, chapter 240, Part XXXX.

I recognize how much time, effort and thoughtful work is required to complete an alternative plan and appreciate the efforts made, to date, by all those involved.

Members of my staff and I have reviewed the submission and offer the comments and notes listed below to assist you in completing the plan. If you make any substantive change(s) to any part of the plan beyond those listed below, please be sure to note those on the Updated Alternative Plan Cover Sheet Checklist, along with notation of those items that have changed per the notes contained in this response.

**General Documentation (Submittal Sheet)**

- All information submitted as required.
- The actual number of students for which the proposed RSU was fiscally responsible as of October 1, 2006 was 3,132. I am making you aware of this as this is the enrollment number that will be used in determining Essential Programs and Services funding.

**Checklist/Plan Text Items**

Items Checked "Complete"

With respect to the items you checked as "complete", please note the following:

*\* Required Items*

Please clarify status of cost saving as complete or in progress.

In Exhibit A, we have included a comparison of (A) the 2007-08 EPS allocations for the four categories of system administration, transportation, special education, and facilities and maintenance and (B) your unit's 2007-08 budget information (if available) for these four categories. Also included are estimated 2008-09 EPS allocations for system administration, transportation, and facilities and maintenance. I encourage you to review this information. NOTE: If the 2007-08 budget information is missing then it is likely that your unit has not submitted this information to the MEDMS Financial System; please see Administrative Letter # 20, dated 2/13/2007 for instructions.

A model for budgeting for system administration is available at [www.maine.gov/education/supportingschools/planning.html](http://www.maine.gov/education/supportingschools/planning.html).

The Department of Education will be issuing an RFP to procure routing software to be available statewide. It is the Department's intent to issue the RFP early in 2008 and have a contract signed with a vendor as soon thereafter as possible so that the software will be available to RSUs and municipalities as soon as possible. SAUs may begin to work with the system in FY 2008-2009 but will not be able to budget any cost savings until FY 2009-2010.

We will review all items on the checklist again, upon your completion of the plan.

**SUBMISSION OF REVISIONS:**

Please provide the additional materials to complete your plan by February 1, 2008. Please include:

- Any additional data required
- An updated Submittal Page
- An updated Cover Sheet Checklist
- A copy of this Response from the Commissioner.

I will respond no more than 14 days after the revisions/additional materials are refiled with the Department. As you are the contact person identified on the Submittal Sheet, this response is addressed to you but with the understanding that you will share it with your school administrative unit board members.

Finally, what I am reviewing for approval is a plan (or a submission, if the plan is incomplete) which is by its very nature prospective, with steps yet to be taken or finalized; and any review comments or approval given are in relation to the elements required under P.L. 2007, chapter 240, Part XXXX but not the legality of all the activities

proposed. Thus, I strongly recommend that you have your own legal advisor(s) review the details of any particular transaction proposed in your plan (particularly with respect to the disposition of property, to debt, and to employee contracts/relations) as you proceed, to ensure the legality of the steps you'll be taking to implement the plan. If that review leads to any substantive changes in any parts of your plan, please be sure to submit an amended plan to the Department for our review and our file.

Again, my sincere thanks for your efforts.

Sincerely,

Susan A. Gendron  
Commissioner of Education
