“Transitioning to a Standards Based System of Education in Maine”

May 12-14, 2009

Informational Conference about the
Maine Department of Education’s work with the
Re-Inventing Schools Coalition (RISC) and their approach to
standards based, learner centered education
\$25 per person registration fee includes
Delivering on the Promise: The Education Revolution

This three-day conference will provide participants with an opportunity to:

- Develop an understanding of the RISC Model of a standards based system of education
- Learn how to apply tenets of the RISC Model in school districts
(see www.reinventingschools.org for more information)
- Learn about MDOE’s plans for facilitating and supporting this work

May 15, 2009

Information about 1st Cohort Pilot Site Application
\$25 per person registration fee

This one-day workshop will provide participants with an opportunity to:

- Understand 1st Cohort Pilot Site Expectations & Support
- Understand the application materials and process

Application materials will be available on-line for review prior to May 15.

**Morgan Hill Event Center
82 Morgan Hill Lane
Hermon, Maine 04401**

We strongly recommend teams representing a wide range of stakeholders attend this conference together. Recommended roles include: student(s), teacher(s), parent, School Board, CTE rep., curriculum leader, principal and superintendant. Teams of 6-8 participants recommended.

****On-line conference registration and more detailed information to follow****
