Commission Meeting 05/25/2016
Agenda Item # 5

To: Commissioners

From: Jonathan Wayne, Executive Director

Date: May 19, 2016

Re: Recommended Findings of Violation and Potential Penalties against Three
Unregistered Candidates for State Representative

Duty to register as a candidate. Under 21-A M.R.S.A. § 1013-A(l)(A), candidates for state office are required to appoint a treasurer within 10 days of becoming a candidate and, within another ten days, register as a candidate with the Commission. Registration is not difficult. A copy of the paper form is attached. Sections 2-A, 3, and 4 are optional, and Section 6 does not apply to most candidates. Candidates may complete an electronic form on the Commission's website.

Registrations received to date. Most candidates are aware of the registration requirement through prior campaign experience or because they have heard about it from other candidates or the political parties. To date, 320 House candidates and 86 Senate candidates have registered (in addition to 78 county candidates).

Unregistered Candidates. Candidates who are enrolled in a political party were required to qualify for the ballot by March 15, 2016 by filing nominating petitions with the Secretary of State. Prior to and since the March 15 deadline, the Commission staff

has diligently tried to get all 2016 candidates for legislative and county office to register by sending them notices, packets of forms, educational materials, and sometimes by calling (when phone numbers are easily accessible). The campaign staff of the House caucuses (in particular, Zach Lingley, Sean Smith, and Eric Gunderson) have been helpful in encouraging the candidates to register.

As of today, three House candidates have not registered with the Commission:

Name	District	Party	Date on Ballot	1st Notice	2nd Notice	3rd Notice	Contact notes
Ryan Brann	HD 123	Republican	03/14/16	04/08/16	04/29/16	05/10/16	No phone #
Frederick Chatfield	HD 94	Republican	03/15/16	03/17/16	04/29/16	05/10/16	No phone #
Erik Glockler	HD 86	Democrat	03/14/16	03/16/16	04/29/16	05/10/16	Left messages

It is unknown whether they intend to be serious candidates in the general election. They may have been recruited by local party activities to run as "placeholder" or "paper candidates," with the understanding that they will withdraw after the June 14, 2016 primary election. This reserves a line on the general election ballot for the party's eventual nominee.

The Commission staff sent three written notices each of these candidates (attached). Because they qualified for the ballot in March, their addresses are on the website of the Maine Secretary of State. We also attempted to find telephone numbers for them, but could not find phone numbers for Ryan Brann and Frederick Chatfield.

Recommendation by Commission staff. The staff recommends that you find that these three candidates violated 21-A M.R.S.A. § 1013-A(1)(A) by failing to timely register with the Commission. You also have the option of assessing a \$10 penalty against them, pursuant to 21-A M.R.S.A. § 1020-A(1). The Commission staff is unsure whether a penalty of \$10 will be effective in encouraging registrations by other candidates. We have already invested considerable staff time in contacting these individuals. We can send them a notice of any penalty assessment, but staff follow-up to collect \$10 penalties from such unresponsive people may cost more in staff time than the penalty is worth.

Thank you for your consideration of this item.

D. The content of the communication is limited to:

- (1) The identification of each candidate, with which pictures may be used;
- (2) The offices sought;
- (3) The offices currently held by the candidates;
- (4) The party affiliation of the candidates and a brief statement, including campaign slogans, about the party's or the candidates' positions, philosophy, goals, accomplishments or biographies;
- (5) Encouragement to vote for the candidates identified;
- (6) Information about voting, such as voting hours and locations; and
- (7) Campaign or party logos.

If the communication contains language outside the categories of this paragraph, it does not qualify as a party candidate listing.

21-A § 1013. Treasurer; political committees (REPEALED)

21-A § 1013-A. Registration

1. Candidates, their treasurers and political committees. A candidate shall register the candidate's name and the name of a treasurer with the commission at least once in each legislative biennium, as provided in this section. A candidate may have only one treasurer, who must be appointed pursuant to paragraph A or B. For purposes of this section, "legislative biennium" means the term of office a person is elected to serve in the Legislature.

 A. No later than 10 days after becoming a candidate and before accepting contributions, making expenditures or incurring obligations, a candidate for state or county office or a candidate for municipal office who has not filed a written notice in accordance with section 1011, subsection 4, paragraph A shall appoint a treasurer. The candidate may serve as treasurer, except that a participating candidate, as defined in section 1122, subsection 6, or a candidate certified in accordance with section 1125 may not serve as treasurer, except that the candidate may serve as treasurer or deputy treasurer for up to 14 days after declaring an intention to qualify for campaign financing under chapter 14 until the candidate identifies another person to serve as treasurer. The candidate may have only one treasurer, who is responsible for the filing of campaign finance reports under this chapter. A candidate shall register the candidate's name and address and the name and address of the treasurer appointed under this section no later than 10 days after the appointment of the treasurer. A candidate may accept contributions personally or make or authorize expenditures personally, as long as the candidate reports all contributions and expenditures to the treasurer. The treasurer shall make a consolidated report of all income and expenditures and provide this report to the commission.

-  (1) A candidate may appoint a deputy treasurer to act in the absence of the treasurer. The deputy treasurer, when acting in the absence of the treasurer, has the same powers and responsibilities as the treasurer. A candidate certified in accordance with section 1125 may not serve as deputy treasurer. When a treasurer dies or resigns, the deputy

of perjury, as provided in Title 17 A, section 451, a statement under oath or affirmation whether the expenditure is made in cooperation, consultation or concert with, or at the request or suggestion of, the candidate or an authorized committee or agent of the candidate.

C. A report required by this subsection must be on a form prescribed and prepared by the commission. A person filing this report may use additional pages if necessary, but the pages must be the same size as the pages of the form. The commission may adopt procedures requiring the electronic filing of an independent expenditure report, as long as the commission receives the statement made under oath or affirmation set out in paragraph B by the filing deadline and the commission adopts an exception for persons who lack access to the required technology or the technological ability to file reports electronically. The commission may adopt procedures allowing for the signed statement to be provisionally filed by facsimile or electronic mail, as long as the report is not considered complete without the filing of the original signed statement.

5. Exclusions. An independent expenditure does not include:

A. An expenditure made by a person in cooperation, consultation or concert with, or at the request or suggestion of, a candidate, a candidate's political committee or their agents;

B. A telephone survey that meets generally accepted standards for polling research and that is not conducted for the purpose of changing the voting position of the call recipients or discouraging them from voting;

C. A telephone call naming a clearly identified candidate that identifies an individual's position on a candidate, ballot question or political party for the purpose of encouraging the individual to vote, as long as the call contains no advocacy for or against any candidate; and

D. A voter guide that consists primarily of candidates' responses to surveys and questionnaires and that contains no advocacy for or against any candidate.

21-A § 1020. Failure to file on time (REPEALED)

21-A § 1020-A. Failure to file on time

 **1. Registration.** A candidate that fails to register the name of a candidate, treasurer or political committee with the commission within the time allowed by section 1013-A, subsection 1 may be assessed a forfeiture of \$10. The commission shall determine whether a registration satisfies the requirements for timely filing under section 1013-A, subsection 1.

2. Campaign finance reports. A campaign finance report is not timely filed unless a properly signed or electronically submitted copy of the report, substantially conforming to the disclosure requirements of this subchapter, is received by the commission by 11:59 p.m. on the date it is due. Except as provided in subsection 7, the commission shall determine whether a report satisfies the requirements for timely filing. The commission may waive a penalty in whole or in part if the commission determines that the penalty is disproportionate to the size of the candidate's campaign, the level of experience of the candidate, treasurer or campaign staff or the harm suffered by the public from the late disclosure. The commission may waive the penalty in whole or in part if the commission determines the failure to file a timely report was due to mitigating circumstances. For purposes of this section, "mitigating circumstances" means:

A. A valid emergency determined by the commission, in the interest of the sound administration of justice, to warrant the waiver of the penalty in whole or in part;

Dear Mr. Brann:

This notice is to follow up on two letters sent to you previously, requesting that you register as a candidate with the Maine Ethics Commission.
