Re: Over-the-Limit Contribution Accepted by Michaud Campaign

On June 9, 2014, the Michaud for Governor campaign accepted maximum contributions for the primary and general elections from three businesses with the same address in Topsham, Maine. After an inquiry by Commission staff, the campaign checked with the contributors and determined that the businesses had the same majority shareholder. Accordingly, they are considered a single donor under Maine Election Law for purposes of the \$1,500 limit. When they are combined, the contributions exceed the \$1,500 limits for the primary and general elections.

I have attached a notice to the campaign that includes the details of the matter and the staff's recommendation. The campaign acted very quickly upon learning of a possible violation. I did not request any information or response from the campaign, but have suggested that a representative of the campaign be present at your July 31 meeting to answer any questions that you have.

Thank you for your consideration of this matter.

STATE OF MAINE
COMMISSION ON GOVERNMENTAL ETHICS
AND ELECTION PRACTICES
135 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0135

July 15, 2014

Rick Redmond
Finance Director, Michaud for Maine
P.O. Box 1590
Portland, ME 04104

Dear Mr. Redmond:

Thank you for your prompt response today on behalf of the Michaud for Maine campaign to the inquiry by Candidate Registrar Emma Burke concerning six contributions received by the campaign on June 9, 2014. The contributions were from three companies with the same address in Topsham, Maine – Highlands Management Co., JBW Management, and Ten Sixteen Sixty-Three Corp. Each firm gave two contributions of \$1,500 to the Michaud campaign for the 2014 primary and general elections.

You responded that the campaign had checked with a financial officer of one of the firms. He confirmed that the three companies have the same majority shareholder. Accordingly, the campaign returned the four contributions made by Highlands Management Co. and Ten Sixteen Sixty-Three Corp. today.

Applicable Law

Contribution Limitations. Under the Election Law, no donor may make a contribution of more than \$1,500 to a gubernatorial candidate per election, unless the contribution is from the candidate or the candidate's spouse or domestic partner. (21-A M.R.S.A. §§ 1015(1) & (2)) Thus, candidates who are enrolled in a political party may accept up to \$3,000 per election cycle from a donor (\$1,500 for the primary election and \$1,500 for the general election).

Contributors with a common owner or officers. Under 21-A M.R.S.A. § 1015-A, donations from two business entities are treated as from a *single contributor* if the entities share two or more officers or are owned by the same majority shareholder or shareholders. If they share these officers or majority owners, the companies can give a *combined* total of \$1,500 per election.

Civil Penalty. A person who accepts or makes a contribution that exceeds the contribution limits may be assessed a penalty of no more than the amount by which the contribution exceeded the limitation. (21-A M.R.S.A. § 1004-A(2))

Staff Recommendations

When combined with the contribution from JBW Management, the four contributions from Highlands Management Co. and Ten Sixteen Sixty-Three Corp. exceeded the \$1,500 contribution limit.

Accordingly, at a meeting on Thursday, July 31, 2014, the Commission staff intends to recommend that the Commission find that the contributions violated 21-A M.R.S.A. § 1015(2).

The Commission staff intends to recommend no civil penalty under 21-A M.R.S.A. § 1004-A(2), based on the following considerations:

- The Michaud for Maine campaign has accepted 3,625 contributions. The four over-the-limit contributions constitute a small percentage of contributions received by the campaign (less than 1%). These are not widespread violations. They appear to be inadvertent and caused by administrative errors in screening contributions.
- The Commission should use its penalty authority to encourage compliance, but should also acknowledge that unintentional errors can occur.

This is similar to a recommendation made by the staff to the Commissioners at the April 30, 2014 meeting concerning contributions received by another gubernatorial candidate.

Opportunity to Respond

If the campaign wishes to submit any additional information in response to the proposed findings of violation, please send a letter response no later than Monday, July 21, 2014. The Commission staff recommends that a representative of the campaign attend the Commission's July 31 meeting to respond to any questions from the Commissioners.

If you have any questions concerning this matter, please call me at 287-4179.

Sincerely,

Jonathan Wayne
Executive Director

21-A MRSA §1015-A. CORPORATE CONTRIBUTIONS

Contributions made by a for-profit or a nonprofit corporation including a parent, subsidiary, branch, division, department or local unit of a corporation, and contributions made by a political committee or political action committee whose contribution or expenditure activities are financed, maintained or controlled by a corporation are considered to be made by that corporation, political committee or political action committee.

1. Single entities. Two or more entities are treated as a single entity if the entities:

A. Share the majority of members of their boards of directors;

B. Share 2 or more officers;

✓ C. Are owned or controlled by the same majority shareholder or shareholders;

C-1. Are limited liability companies that are owned or controlled by the same majority member or members; or

D. Are in a parent-subsidiary relationship.

2. Sole proprietorships. A sole proprietorship and its owner are treated as a single entity.

21-A M.R.S.A. § 1015. LIMITATIONS ON CONTRIBUTIONS AND EXPENDITURES

1. Individuals. An individual may not make contributions to a candidate in support of the candidacy of one person aggregating more than \$1,500 in any election for a gubernatorial candidate, more than \$350 for a legislative candidate, more than \$350 for a candidate for municipal office and beginning January 1, 2012 more than \$750 for a candidate for municipal office or more than \$750 in any election for any other candidate. This limitation does not apply to contributions in support of a candidate by that candidate or that candidate's spouse or domestic partner. Beginning December 1, 2010, contribution limits in accordance with this subsection are adjusted every 2 years based on the Consumer Price Index as reported by the United States Department of Labor, Bureau of Labor Statistics and rounded to the nearest amount divisible by \$25. The commission shall post the current contribution limit and the amount of the next adjustment and the date that it will become effective on its publicly accessible website and include this information with any publication to be used as a guide for candidates.

[2011, c. 382, §1 (AMD) .]

✓ **2. Committees; corporations; associations.** A political committee, political action committee, other committee, firm, partnership, corporation, association or organization may not make contributions to a candidate in support of the candidacy of one person aggregating more than \$1,500 in any election for a gubernatorial candidate, more than \$350 for a legislative candidate, more than \$350 for a candidate for municipal office and beginning January 1, 2012 more than \$750 for a candidate for municipal office or more than \$750 in any election for any other candidate. Beginning December 1, 2010, contribution limits in accordance with this subsection are adjusted every 2 years based on the Consumer Price Index as reported by the United States Department of Labor, Bureau of Labor Statistics and rounded to the nearest amount divisible by \$25. The commission shall post the current contribution limit and the amount of the next adjustment and the date that it will become effective on its publicly accessible website and include this information with any publication to be used as a guide for candidates.

[2011, c. 382, §2 (AMD) .]

3. Aggregate contributions. No individual may make contributions to candidates aggregating more than \$25,000 in any calendar year. This limitation does not apply to contributions in support of a candidate by that candidate or that candidate's spouse or domestic partner.

[2007, c. 443, Pt. A, §12 (AMD) .]

4. Political committees; intermediaries. For the purpose of the limitations imposed by this section, contributions made to any political committee authorized by a candidate to accept contributions on the candidate's behalf are considered to be contributions made to that candidate. If the campaign activities of a political action committee within a calendar year primarily promote or support the nomination or election of a single candidate, contributions to the committee that were solicited by the candidate are considered to be contributions made to the candidate for purposes of the limitations in this section. For purposes of this subsection, solicitation of contributions includes but is not limited to the candidate's appearing at a fundraising event organized by or on behalf of the political action committee or suggesting that a donor make a contribution to that committee.

For the purposes of the limitations imposed by this section, all contributions made by a person, either directly or indirectly, on behalf of a particular candidate, that are in any way earmarked or otherwise directed through an intermediary or conduit to the candidate are considered to be contributions from that person to the candidate. The intermediary or conduit shall report the original source and the intended recipient of the contribution to the commission and to the intended recipient.

[2011, c. 389, §14 (AMD) .]

5. Other contributions and expenditures. Any expenditure made by any person in cooperation, consultation or concert with, or at the request or suggestion of, a candidate, a candidate's political committee or their agents is considered to be a contribution to that candidate.

The financing by any person of the dissemination, distribution or republication, in whole or in part, of any broadcast or any written or other campaign materials prepared by the candidate, the candidate's political committee or committees or their authorized agents is considered to be a contribution to that candidate.

[1989, c. 504, §§7, 31 (AMD) .]

6. Prohibited expenditures. A candidate, a treasurer, a political committee, a party or party committee, a person required to file a report under this subchapter or their authorized agents may not make any expenditures for liquor to be distributed to or consumed by voters while the polls are open on election day.

[1991, c. 839, §11 (AMD); 1991, c. 839, §34 (AFF) .]

7. Voluntary limitations on political expenditures. A candidate may voluntarily agree to limit the total expenditures made on behalf of that candidate's campaign as specified in section 1013-A, subsection 1, paragraph C and subsections 8 and 9.

[1995, c. 384, §2 (NEW) .]

8. Political expenditure limitation amounts. Total expenditures in any election for legislative office by a candidate who voluntarily agrees to limit campaign expenditures as provided in subsection 7 are as follows:

A. For State Senator, \$25,000; and [2007, c. 443, Pt. A, §14 (AMD).]

B. For State Representative, \$5,000. [2007, c. 443, Pt. A, §14 (AMD).]

Expenditure limits are per election and may not be carried forward from one election to another. For calculation and reporting purposes, the reporting periods established in section 1017 apply.

[2007, c. 443, Pt. A, §14 (AMD) .]

9. Publication of list. The commission shall publish a list of the candidates for State Representative and State Senator who have agreed to voluntarily limit total expenditures for their campaigns as provided in section 1013-A, subsection 1, paragraph C.

For the purposes of subsections 7 and 8 and this subsection, "total expenditures" means the sum of all expenditures made to influence a single election that are made by a candidate or made on the candidate's behalf by the candidate's political committee or committees, the candidate's party or the candidate's immediate family. [1995, c. 384, §2 (NEW) .]

21-A M.R.S.A. § 1004-A. PENALTIES

The commission may assess the following penalties in addition to the other monetary sanctions authorized in this chapter. [2003, c. 628, Pt. A, §1 (NEW).]

1. Late campaign finance report. A person that files a late campaign finance report containing no contributions or expenditures may be assessed a penalty of no more than \$100.

[2003, c. 628, Pt. A, §1 (NEW) .]

✓ **2. Contribution in excess of limitations.** A person that accepts or makes a contribution that exceeds the limitations set out in section 1015, subsections 1 and 2 may be assessed a penalty of no more than the amount by which the contribution exceeded the limitation.

[2003, c. 628, Pt. A, §1 (NEW) .]

3. Contribution in name of another person. A person that makes a contribution in the name of another person, or that knowingly accepts a contribution made by one person in the name of another person, may be assessed a penalty not to exceed \$5,000.

[2003, c. 628, Pt. A, §1 (NEW) .]

4. Substantial misreporting. A person that files a campaign finance report that substantially misreports contributions, expenditures or other campaign activity may be assessed a penalty not to exceed \$5,000.

[2003, c. 628, Pt. A, §1 (NEW) .]

5. Material false statements. A person that makes a material false statement or that makes a statement that includes a material misrepresentation in a document that is required to be submitted to the commission, or that is submitted in response to a request by the commission, may be assessed a penalty not to exceed \$5,000.

[2005, c. 301, §6 (AMD) .]

When the commission has reason to believe that a violation has occurred, the commission shall provide written notice to the candidate, party committee, political action committee, committee treasurer or other respondent and shall afford them an opportunity to appear before the commission before assessing any penalty. In determining any penalty under subsections 3, 4 and 5, the commission shall consider, among other things, the level of intent to mislead, the penalty necessary to deter similar misconduct in the future and the harm suffered by the public from the incorrect disclosure. A final determination by the commission may be appealed to the Superior Court in accordance with Title 5, chapter 375, subchapter 7 and the Maine Rules of Civil Procedure Rule 80C. [2009, c. 302, §1 (AMD) .]

Penalties assessed pursuant to this section that have not been paid in full within 30 days after issuance of a notice of the final determination may be enforced in accordance with section 1004-B. [2009, c. 302, §2 (NEW) .]
