2012 REGISTRATION MATERIALS FOR REPLACEMENT CANDIDATES FOR MAINE CLEAN ELECTION ACT CANDIDATES

Changes to MCEA Program. As a result of a 2011 U.S. Supreme Court's decision and subsequent ruling in Maine, the matching funds part of the MCEA program was eliminated.

This packet contains the forms you will need to register with the Commission and to participate in the Maine Clean Election Act. The Commission staff is available to help you with any questions about running as a Maine Clean Election Act (MCEA) candidate.

COMPLETE THESE FORMS:

Candidate Registration	Every candidate must register with the Commission <u>before</u> accepting any campaign contributions or making any campaign expenditures. Please complete and sign the enclosed registration form and return it to the Commission.
Appoint a Treasurer	When you register, you will have to name your campaign treasurer. In general, the MCEA prohibits candidates from serving as treasurer or deputy treasurer. However, you may register and serve as your own treasurer for <u>up to 14 days</u> before appointing someone else.
Declaration of Intent (DOI)	Please complete and file the DOI form when you register. Qualifying contributions received <u>more than 5 business days before the DOI is filed with the Commission</u> will not count toward the eligibility requirements. You can begin to collect qualifying contributions on the day of your nomination.
Maine Code of Fair Campaign Practices (optional)	Please review the Code and return the signed form if you want to subscribe. Subscribing to the Code is voluntary. The Commission is not authorized to take action against candidates who violate the Code.
Vendor Form	You must complete this form to receive MCEA funds. Please do this when you register or at your earliest convenience and submit it to the Commission.
Authorization Agreement for Direct Deposit Services (optional)	If you prefer to receive your MCEA payments by direct deposit (EFT) rather than by check, complete this form, attach a voided check or deposit slip, and submit them to the Commission. Most candidates prefer EFT because they can access campaign funds faster.
OTHER REQUIREMENTS:	
Campaign Bank Account	You must have a <u>separate</u> bank account for your campaign funds, <i>i.e.</i> , your seed money contributions and your MCEA payments. You cannot commingle seed money or MCEA funds with personal or business funds. Remember that cancelled checks (or copies) and monthly statements are records that you must keep for three years.
MCEA Expenditure Guidelines	All public funds must be spent on campaign-related expenditures in accordance with guidelines established by the Commission. Violations of this requirement may result in civil and criminal penalties. Please familiarize yourself with the guidelines (copy included in this packet).
Seed Money	Prior to MCEA certification, you may raise and spend only "seed money contributions." A seed money contribution cannot exceed \$100 and must come from individuals only. Each family member may make a seed money contribution, provided that the money is from their personal funds. Currently seed money contribution limits are \$500 for House candidates and \$1,500 for Senate candidates. All cash and in-kind (goods and services) contributions count toward the limit. A seed money report must be filed whether you raised or spent any seed money. You may begin to raise seed money contributions before you are nominated.

Many questions can be answered by referring to the Commission's website, www.maine.gov/ethics, or the *2012 Candidate Guide*. You can also call the Ethics Commission staff with your questions at 287-4179. Please ask for a candidate registrar.

OTHER REQUIREMENTS (CONTINUED)

Qualifying Contributions

To become eligible to receive MCEA funds, you must collect a minimum number of qualifying contributions during the qualifying period.

Qualifying Period and Required Number

ALL PARTY CANDIDATES: DEMOCRATIC, GREEN-INDEPENDENT, AND REPUBLICAN	
QUALIFYING PERIOD	Date of your nomination to August 22, 2012
REQUIRED NUMBER OF QUALIFYING CONTRIBUTIONS	House Candidates – 60
	Senate Candidates – 175

What is a Qualifying Contribution

Qualifying contributions are donations of \$5 or more made with the personal funds of individuals who are registered to vote in your district. They do not have to be enrolled in the same political party as you.

Qualifying contributions maybe made by:

- a personal check payable to the Maine Clean Election Fund (MCE Fund);
- cash, but only if the contributor signs a money order provided by the campaign in the same amount as the cash contribution. If the contributor prints their name on the money order, please ask them to sign it, too. If the money order is not signed, it will not be accepted and counted as a qualifying contribution; or
- a debit or credit card payment to the MCE Fund using the Commission’s online contribution website (www.maine.gov/online/ethics/cleanelection).

Receipt and Acknowledgment Form (R&A Form) and Voter Verification

For qualifying contributions made by check or money order:

- Each contributor must fill out and sign the R&A form.
- The contributors listed on a single form should be from the same city or town.
- If you have other people circulating the forms and collecting qualifying contributions and signatures, they must complete and sign the circulator section of the form.
- You must bring these forms to the municipal clerks in your district to verify that the contributors are registered voters at the address listed on the form.

For qualifying contributions made by debit or credit card on the Commission’s website:

- Contributors do not sign a paper form because they sign electronically when they make their contribution.
- The online system automatically verifies the voter registration of online contributors.
- If the system is unable to verify the voter registration, the campaign must download and print the R&A forms for the unverified contributors and bring these forms to the town clerks for voter verification.

Requesting Certification

Requests for certification must be received by the Ethics Commission by 5:00 p.m. on the last day of the qualifying period. For a checklist of documents that must be submitted, please refer to the Request for Certification form included in this packet. Requests for certification will not be granted if the qualifying contributions and verified Receipt and Acknowledgement forms are not submitted by the deadline of the qualifying period.

Qualifying Contributions and R & A Forms

You must submit at least the minimum number of valid qualifying contributions along with the R&A forms verified by municipals registrars. You do not need to submit R&A forms for qualifying contributions verified online.

Alphabetical List

You must submit an alphabetical list of all individuals who made a qualifying contribution by check, money order and online. The list includes their name and town or city where they reside.

Seed Money Report

Before you can be certified, you must file a seed money report.

- When updating your information during the election cycle, check the appropriate boxes in the “Change” section.

- If you have designated your treasurer or committee to receive the check(s) or EFT correspondence, enter the address of your treasurer or committee in “Payment Address” and complete the “C/O” as either “c/o [treasurer’s name]” or “DBA [committee’s name].” The address on this form should be the same address on your candidate registration for you, your treasurer or committee. 42-Day Post-General	December 18, 2012	October 24, 2012 – December 11, 2012

24-HOUR REPORTS

24-HOUR REPORT PERIOD	WHAT TO REPORT	WHEN TO FILE
October 24 – November 5, 2012	Any single expenditure of \$1,000 or more. Orders placed with or obligations made to vendors for goods or services are considered expenditures at the time the obligations are made.	Within 24 hours, including weekends and holidays, of making the expenditure, incurring the obligation, or placing the order.

HOW TO FILE REPORTS

Using the Commission's Website. Candidates who receive or expect to receive at least \$1,500 for their campaigns must file reports electronically on the Commission's website. Candidates or treasurers must enter the required information and click "File Report" by 11:59 p.m. on the filing deadline. Candidates who lack access to the technology or the technological ability to file reports on the internet may request a waiver. The Commission will grant all reasonable requests.

Using Paper Forms. For candidates who are not required to file electronically, each original campaign finance report signed by the candidate and treasurer must be properly filed with the Commission by the filing deadline, except in two circumstances. A properly signed report may be faxed to the Commission office at (207) 287-6775 by 11:59 p.m. on the deadline, provided that the Commission receives the original report within five calendar days. A report mailed to the Commission by certified or registered mail and postmarked at least 2 days before the filing deadline will not be considered late, even if it is received after the deadline.

Commission staff will be available until 5:00 p.m. on filing deadlines to offer assistance to candidates and campaign staff.

2012 ELECTRONIC FILING WAIVER

All candidates who receive or expect to receive \$1,500 for their campaigns are required to file their campaign finance reports electronically on the Commission's website. Filing electronically has many advantages, such as:

NO MATH – You do not need to enter any totals or fill out any summary pages. Just enter the individual receipts and expenditures, and the e-filing system will take care of the rest.

CONVENIENCE – All you need is internet access in order to file your reports. There is no need to come to the Commission's office on the filing deadline or worry about mailing the report by the filing deadline.

You may request a waiver of the electronic filing requirement if you lack access to the technology or the technological ability to file reports electronically. If you wish to request a waiver, sign the bottom of this page and submit it to the Ethics Commission. You must do this no later than April 16, 2012. The Commission will grant all reasonable requests for exceptions.

I REQUEST A WAIVER OF THE ELECTRONIC FILING REQUIREMENT BECAUSE I LACK ACCESS TO THE NECESSARY TECHNOLOGY OR THE TECHNOLOGICAL ABILITY TO FILE REPORTS ELECTRONICALLY.

Use the "Candidate Login" to access your administration screen.

Your contributors click "Contribute" then follow the instructions.

This is the home page for the online qualifying contributions website.

The online qualifying contribution service is quick and convenient for contributors and candidates. Contributors can go to a secure website to make qualifying contributions with a VISA or MasterCard. Contributors who give their qualifying contribution online do not need to sign a paper form because they sign electronically when they make their contribution.

The system is even more convenient for candidates because the system will automatically verify the voter registration of contributors. If the system is not able to verify the voter registration for a contributor, the contributor will still be able to make a qualifying contribution online but the campaign must get the contributor's voter registration verified by the town clerk. Candidates will be able to download and print receipt and acknowledgement forms with unverified contributors listed by town to bring to the town clerks.

The online system uses data from the Secretary of State's Central Voter Registry (CVR) for voters' names and addresses. If the system does not recognize a contributor's street name, the system will give the contributor a list of similar street names to choose from. If the system does not recognize an address because it is not in the CVR, e.g., an address in a new development, the contributor will get instructions about how to make a contribution using a paper form.

QUALIFYING CONTRIBUTIONS ONLINE WEBSITE: CANDIDATE ACCESS

Each candidate will have password-protected administrative access to the online qualifying contribution system so that the candidate can review the status of their online qualifying contributions, including the verification of contributors' voter registration. Candidates can also search for contributions by contributor name or town or date range, download receipt and acknowledgement forms, and view the total contributions made online.

To log on to the site:

1. Go to www.maine.gov/ethics.
2. Look for "ONLINE SERVICES" in the list of links on the left hand side of the screen, and select "[Qualifying Contributions](#)."
3. On this screen, look for "[Candidate Login](#)" under "Administration" on the left hand side of the screen.
4. Enter your user name and password that you use for e-filing your campaign finance reports. We sent that to you when you registered. Call us if you don't have it.

INFORMATION FOR YOUR SUPPORTERS

Direct your supporters to go to www.maine.gov/cleanelections. Tell them to click the "[Contribute](#)" - yellow button.

They will need to:

- select the candidates they wish to make a qualifying contribution to;
- enter payment information using a credit card or bank debit card (MasterCard and VISA only); and

INSTRUCTIONS FOR COLLECTING \$5 QUALIFYING CONTRIBUTIONS Using Receipt and Acknowledgement Forms

1. Qualifying contributions are checks or money orders from registered Maine voters in the amount of \$5 or more made payable to the "Maine Clean Election Fund." For legislative candidates, the contributors must be registered to vote in the candidate's district.
2. Money orders must be signed by the contributor.
3. The \$5 (or more) qualifying contribution must come from the personal funds of the contributor.
4. Every person making a qualifying contribution of \$5 (or more) by check or money order must sign a Receipt and Acknowledgment Form. Spouses, domestic partners, family members, and friends cannot sign for each other. The campaign may make photocopies of the form if additional sheets are needed.
5. All contributors listed on a single page of the Receipt and Acknowledgment Form should be from the same town or city.
6. Members of a family who are registered to vote in the same household may combine contributions in one check or money order, provided that each contributor gives the qualifying contribution from their personal funds and signs the Receipt and Acknowledgment Form.
7. Checks drawn from a checking account with a business name are acceptable if the contributor's name is also imprinted on the check (not hand printed) or the contributor submits a note or makes a notation on the check (e.g., memo line) that the contributor uses the business account for personal expenses.
8. Candidates and campaign staff must clearly explain to the contributor that the purpose of collecting qualifying contributions and signatures is to qualify for Maine Clean Election Act funding for their campaign. It is a violation of the Act to misrepresent the purpose of collecting the contribution or contributor's signature.
9. If someone other than the candidate collects the qualifying contributions, that person must read and complete the circulator's section at the bottom of the form, date and sign in the space provided.

2012 EXPENDITURE GUIDELINES For Maine Clean Election Act Candidates

Candidates must spend Maine Clean Election Act (MCEA) funds for campaign-related purposes and not for other purposes such as the candidate's personal benefit, party-building, or to promote another candidate's campaign.

PERMISSIBLE CAMPAIGN-RELATED EXPENDITURES

Expenditures for "campaign-related purposes" are those which are traditionally accepted as necessary to promote the election of a candidate to political office. Candidates using MCEA funds must also take into account the public nature of the funds, the underlying objectives of the MCEA, and the reasonableness of the expenditures under the circumstances. In Maine, traditional campaign expenses have included:

- Political advertising expenses
- Campaign communications such as signs, bumper stickers, T-shirts, or caps with campaign slogans, etc.
- Campaign events (e.g., invitations, food, tent or hall rental, etc.)
- Printing and mailing costs
- Office supplies
- Campaign staff expenses
- An entry fee for an event organized by a party committee, charity, or community organization or an ad in an event publication, as long as the expenditure benefits the candidate's campaign.
- Campaign travel expenses, such as fuel and tolls

PROHIBITED EXPENDITURES

Candidates may not use MCEA funds for personal expenses. This means candidates may not borrow from or use MCEA funds for personal or other non-campaign expenses, even if temporarily and with the intention of repaying the funds. Personal expenses are for goods and services that the candidate would otherwise purchase independently of the campaign, such as:

- Day-to-day household expenses and supplies
- Mortgage, rent, or utility payments for the candidate's personal residence, even if part of the residence is being used by the campaign
- Vehicle repair and maintenance
- Non-campaign transportation expenses
- Clothing, including attire for political functions such as business suits or shoes

Maine Clean Election Act funds may not be spent to:

- pay a consultant, vendor, or campaign staff for anything other than campaign goods or services
- compensate the candidate for services provided by the candidate
- make independent expenditures supporting or opposing any candidate, ballot question, or political committee
- assist in any way the campaign of any candidate other than the candidate for whom the funds were originally designated
- contribute to another candidate, a political committee, or a party committee other than in exchange for goods and services
- make a donation to a charity or a community organization, other than in exchange for campaign goods or services
- promote political or social positions or causes other than the candidate's campaign
- make a thank-you gift (including a gift card) to a volunteer or supporter
- pay civil penalties, fines, or forfeitures to the Commission, or defend the candidate in enforcement proceedings brought by the Commission
- assist the candidate in an election recount

GUIDELINES ON SELECTED ISSUES

Salary and Compensation. Candidates may use MCEA funds to pay for campaign-related services by staff or consultants, provided that compensation is made at or below fair market value and sufficient records are maintained to show what services were received. Documentation must include a description of the labor performed by the staff member or consultant, and an itemization of any goods or services purchased from other vendors including date, vendor, and amount (see "Required Record-Keeping" below).

Car Travel. MCEA campaigns may reimburse the candidate or campaign workers for their car travel, as long as the person reimbursed has kept a contemporaneous travel log. For 2012, the campaign may make a travel reimbursement up to the number of miles traveled as reported in the log multiplied by \$0.44. Campaigns must keep the travel logs for three years, and provide them to the Commission if requested. Candidates and their spouses or domestic partners may spend any amount of their personal funds for campaign travel without seeking reimbursement. Other individuals may spend up to \$100 of their personal funds to pay for travel without making a contribution to the campaign.

Electronics and Other Personal Property. Goods purchased with MCEA funds that could be converted to personal use after the campaign (e.g., computers, fax machines, and cell phones) must be sold at fair market value and the proceeds returned to the Maine Clean Election Fund no later than 42 days after the final report for the campaign. Candidates are welcome to lease electronic and other equipment.

Ballot Question. Candidates may state their position with respect to a ballot question in a communication financed with MCEA funds. Candidates may not use MCEA funds for a paid communication that primarily supports or opposes a referendum or citizen initiative.

Food. Candidates may spend a reasonable amount of MCEA funds on food for campaign events or to feed volunteers while they are working. Legislative candidates may not use MCEA funds to purchase food that is consumed only by the candidate and/or the candidate's spouse. Gubernatorial candidates may use MCEA funds to purchase meals for the candidate and/or the candidate's spouse if associated with travel for campaign purposes.

Lodging. Candidates may use MCEA funds to pay for lodging if necessary for campaign purposes, but must keep lodging expenses reasonable.

Campaign Training. Candidates may use MCEA funds for tuition or registration costs to receive training on campaigning or policy issues.

Post-Election Notes and Parties. Candidates may spend up to the following maximum amounts of MCEA funds on post-election parties, thank you notes, or advertising to thank supporters or voters: \$250 for State Representative candidates and \$750 for State Senate candidates. Candidates may also use personal funds for these purposes.

REQUIRED RECORD-KEEPING

The MCEA requires participating campaigns to keep bank or other account statements for the campaign account covering the duration of the campaign. For every expenditure of \$50 or more, the campaign must also keep:

- (1) an invoice from the vendor stating the particular goods or services purchased, and
- (2) a cancelled check, cash receipt, or other acceptable proof that the vendor received payment.

If the campaign pays \$500 or more during an election cycle to someone for providing campaign staff or consulting services, the campaign must keep a contemporaneous document such as an invoice, contract, timesheet, or other document specifying in detail the services provided, the amount paid and the basis for the compensation paid by the campaign. Please select a treasurer who will be responsible about keeping these records.

AUDITING AND COMPLIANCE

In 2012, the Commission staff will audit at least 20% of MCEA legislative candidates. The staff will review all receipts and expenditures disclosed by MCEA candidates in campaign finance reports. The Commission frequently requests additional information from candidates to verify that public funds were spent for campaign-related purposes. Candidates who misuse public funds may be required to repay some or all public funds received, may be liable for civil penalties, and may be referred to the State Attorney General for possible criminal prosecution.
