

2016 STATEMENT CONCERNING VOLUNTARY EXPENDITURE LIMITS

For Privately Financed Legislative Candidates Only

The Election Law requires all privately financed legislative candidates to confirm whether they agree to the following voluntary expenditure limits:

- A. For State Senator, \$25,000 per election
- B. For State Representative, \$5,000 per election

The expenditure limits are for each election. For example, a candidate for State Senate who is on the ballot for the primary and the general election and who agrees to accept the limits may spend up to \$25,000 for the primary election and up to \$25,000 for the general election. The limitations may not be carried forward from one election to another.

THE ELECTION LAW REQUIRES YOU TO INDICATE WHETHER YOU AGREE TO THE VOLUNTARY SPENDING LIMITS. PLEASE CHECK ONE BOX BELOW.

- I understand and accept the voluntary spending limits on political expenditures. I understand that the limit covers the sum of all expenditures made to influence a single election that are made by me, or made on my behalf by my party or my immediate family if coordinated with my campaign. I also affirm that I will not condone and will not solicit any independent expenditures made on my behalf.

- I do not agree to the voluntary spending limits on political expenditures.
