

SUBCHAPTER II
REPORTS ON CAMPAIGNS FOR OFFICE

21A § 1011. Application

This subchapter applies to candidates for all state and county offices and to campaigns for their nomination and election.

Candidates for municipal office as described in Title 30-A, section 2502, subsection 1 are governed by this subchapter.

1. Role of the municipal clerk; commission. (REPEALED)

2. Exemptions. (REPEALED)

3. Role of the municipal clerk; commission. For candidates for municipal office, the municipal clerk is responsible for any duty assigned to the commission in this subchapter related to the registration of candidates, receipt of reports and distribution of information or forms, unless otherwise provided. Notwithstanding any other deadline set forth in this chapter, candidates must file their reports by the close of business on the day of the filing deadline established for the office of the municipal clerk. The commission retains the sole authority to prescribe the content of all reporting forms. The commission does not have responsibility to oversee the filing of registrations or campaign finance reports relating to municipal campaigns, except that the commission shall enforce late-filing penalties under section 1020-A, subsection 3 upon the request of a municipal clerk.

4. Exemptions. Exemptions for municipal candidates from the reporting requirements of this subchapter are governed by this subsection.

A. At the time a municipal candidate registers under section 1013-A, the candidate may notify the municipal clerk in writing that the candidate will not accept contributions, make expenditures or incur financial obligations associated with that person's candidacy. A candidate who provides this written notice is not required to appoint a treasurer or to meet the filing requirements of this section as long as the candidate complies with the commitment.

B. The notice provided to the municipal clerk in paragraph A may be revoked. A written revocation must be presented to the municipal clerk before the candidate may accept contributions, make expenditures or incur obligations associated with that person's candidacy. A candidate who has filed a notice with the municipal clerk under paragraph A and accepts contributions, makes expenditures or incurs obligations associated with that person's candidacy prior to filing a revocation may be assessed a penalty of \$10 for each business day that the revocation is late, up to a maximum of \$500. This penalty may be imposed in addition to the penalties assessed under other sections of this Title.

21A § 1013. Treasurer; political committees (REPEALED)

21A § 1013-A. Registration

1. Candidates, their treasurers and political committees. A candidate shall register the candidate's name and the name of a treasurer with the commission at least once in each legislative biennium, as provided in this section. A candidate may have only one treasurer, who must be appointed pursuant to paragraph A or B. For purposes of this section, "legislative biennium" means the term of office a person is elected to serve in the Legislature.

A. No later than 10 days after becoming a candidate and before accepting contributions, making expenditures or incurring obligations, a candidate for state or county office or a candidate for municipal office who has not filed a written notice in accordance with section 1011, subsection 4, paragraph A shall appoint a treasurer. The candidate may serve as treasurer, except that a participating candidate, as defined in section 1122, subsection 6, or a candidate certified in accordance with section 1125 may not serve as treasurer, except that the candidate may serve as treasurer or deputy treasurer for up to 14 days after declaring an intention to qualify for campaign financing under chapter 14 until the candidate identifies another person to serve as treasurer. The candidate may have only one treasurer, who is responsible for the filing of campaign finance reports under this chapter. A candidate shall register the

candidate's name and address and the name and address of the treasurer appointed under this section no later than 10 days after the appointment of the treasurer. A candidate may accept contributions personally or make or authorize expenditures personally, as long as the candidate reports all contributions and expenditures to the treasurer. The treasurer shall make a consolidated report of all income and expenditures and provide this report to the commission.

(1) A candidate may appoint a deputy treasurer to act in the absence of the treasurer. The deputy treasurer, when acting in the absence of the treasurer, has the same powers and responsibilities as the treasurer. A candidate certified in accordance with section 1125 may not serve as deputy treasurer. When a treasurer dies or resigns, the deputy treasurer may not assume the position of treasurer unless the candidate appoints the deputy treasurer to the position of treasurer. The candidate shall report the name and address of the deputy treasurer to the commission no later than 10 days after the deputy treasurer has been appointed.

B. A candidate may authorize one political committee to promote the candidate's election. No later than 10 days after appointing a political committee and before accepting contributions, making expenditures or incurring obligations, a candidate for state, county or municipal office shall appoint a treasurer of the political committee. The treasurer of the political committee is responsible for filing campaign finance reports under this chapter. No later than 10 days after appointing a political committee, the candidate shall register with the commission the following information regarding the political committee:

- (1) The name of the committee;
- (2) The name and address of the committee's treasurer;
- (3) The name of the candidate who authorized the committee; and
- (4) The names and addresses of the committee's officers.

C. No later than 10 days after becoming a candidate, as defined in section 1, subsection 5, a candidate for the office of State House of Representatives or Senate shall file in writing a statement declaring that the candidate agrees to accept voluntary limits on political expenditures or that the candidate does not agree to accept voluntary limits on political expenditures, as specified in section 1015, subsections 7 to 9. A candidate who has filed a declaration of intent to become certified as a candidate under the Maine Clean Election Act is not required to file the written statement required by this paragraph.

The statement filed by a candidate who voluntarily agrees to limit spending must state that the candidate knows the voluntary expenditure limitations as set out in section 1015, subsection 8 and that the candidate is voluntarily agreeing to limit the candidate's political expenditures and those made on behalf of the candidate by the candidate's political committee or committees, the candidate's party and the candidate's immediate family to the amount set by law. The statement must further state that the candidate does not condone and will not solicit any independent expenditures made on behalf of the candidate.

The statement filed by a candidate who does not agree to voluntarily limit political expenditures must state that the candidate does not accept the voluntary expenditure limits as set out in section 1015, subsection 8.

2. Authorized political committees. (REPEALED)

3. Party committees. The state, district and county committees of parties shall submit to the commission the names and addresses of all their officers and of their treasurers and the name and address of the principal paid employee, if any, within 30 days after the appointment, election or hiring of these persons. Municipal committees must file copies of the same information with the commission and the municipal clerk.

District, county and municipal committees that provide their state party committees with the information required by this subsection to be submitted to the commission have met that requirement. No later than the 2nd Monday in April of each year in which a general election is scheduled, the state committee of a party shall submit a consolidated report, including the information required under this subsection, for the district, county and municipal committees of that party.

4. Reporting by registered treasurers. Any contribution accepted and any expenditure made or authorized by or on behalf of a candidate registered under this section or qualified under sections 335 and 336 or sections 354 and 355 must be recorded and reported as provided in sections 1016 and 1017.

5. Changes in registration information. Every change in information required by this section to be reported to the commission shall be reported within 10 days of the date of the change.

21A § 1013-B. Removal of treasurer; filling vacancy of treasurer; substantiation of records of treasurer; notification to commission

A candidate may remove any treasurer that the candidate has appointed. In case of a vacancy in the position of treasurer of a candidate or treasurer of a political committee before the obligations of the treasurer have been performed, the candidate shall serve as treasurer from the date of the vacancy until the candidate appoints a successor and reports the name and address of the successor to the commission. The candidate shall file a written statement of resignation of a treasurer of a candidate or a treasurer of a political committee and until that statement has been filed, the resignation is not effective. An individual who vacates the position of treasurer by reason of removal or resignation shall certify in writing the accuracy of the treasurer's records to the succeeding treasurer. A succeeding treasurer may not be held responsible for the accuracy of the predecessor's records.

21A § 1014. Publication or distribution of political statements

1. Authorized by candidate. Whenever a person makes an expenditure to finance a communication expressly advocating the election or defeat of a clearly identified candidate through broadcasting stations, cable television systems, newspapers, magazines, campaign signs or other outdoor advertising facilities, publicly accessible sites on the Internet, direct mails or other similar types of general public political advertising or through flyers, handbills, bumper stickers and other nonperiodical publications, the communication, if authorized by a candidate, a candidate's authorized political committee or their agents, must clearly and conspicuously state that the communication has been so authorized and must clearly state the name and address of the person who made or financed the expenditure for the communication. The following forms of political communication do not require the name and address of the person who made or authorized the expenditure for the communication because the name or address would be so small as to be illegible or infeasible: ashtrays, badges and badge holders, balloons, campaign buttons, clothing, coasters, combs, emery boards, envelopes, erasers, glasses, key rings, letter openers, matchbooks, nail files, noisemakers, paper and plastic cups, pencils, pens, plastic tableware, 12-inch or shorter rulers, swizzle sticks, tickets to fund-raisers, electronic media advertisements where compliance with this section would be impracticable due to size or character limitations and similar items determined by the commission to be too small and unnecessary for the disclosures required by this section. A communication financed by a candidate or the candidate's committee is not required to state the address of the candidate or committee that financed the communication. A communication in the form of a sign that is financed by a candidate or the candidate's committee and that clearly identifies the name of the candidate and is lettered or printed individually by hand is not required to include the name and address of the person who made or financed the communication or to include a statement that the communication has been authorized by the candidate, the candidate's authorized committee or their agents.

2. Not authorized by candidate. If the communication described in subsection 1 is not authorized by a candidate, a candidate's authorized political committee or their agents, the communication must clearly and conspicuously state that the communication is not authorized by any candidate and state the name and address of the person who made or financed the expenditure for the communication. If the communication is in written form, the communication must contain at the bottom of the communication in 12-point bold print, Times New Roman font, the words "NOT PAID FOR OR AUTHORIZED BY ANY CANDIDATE."

2-A. Other communications. Whenever a person makes an expenditure to finance a communication that names or depicts a clearly identified candidate and that is disseminated during the 21 days before a primary election or 35 days before a general election through the media described in subsection 1, the communication must state the name and address of the person who made or financed the communication and a statement that the communication was or was not authorized by the candidate. The disclosure is not required if the communication was not made for the purpose of influencing the candidate's nomination for election or election.

3. Broadcasting prohibited without disclosure. No person operating a broadcasting station or cable television system within this State may broadcast any communication, as described in subsections 1 to 2-A, without an oral or written visual announcement of the disclosure required by this section.

3-A. In-kind contributions of printed materials. A candidate, political committee or political action committee shall report on the campaign finance report as a contribution to the candidate, political committee or political action committee any contributions of in-kind printed materials to be used in the support of a candidate or in the support or defeat of a ballot question. Any in-kind contributions of printed materials used or distributed by a candidate, political committee or political action committee must include the name or title of that candidate, political committee or political action committee as the authorizing agent for the printing and distribution of the in-kind contribution.

3-B. Newspapers. A newspaper may not publish a communication described in subsections 1 to 2-A, without including the disclosure required by this section. For purposes of this subsection, "newspaper" includes any printed material intended for general circulation or to be read by the general public, including a version of the newspaper displayed on a website owned or operated by the newspaper. When necessary, a newspaper may seek the advice of the commission regarding whether or not the communication requires the disclosure.

4. Enforcement. A violation of this section may result in a civil penalty of no more than \$5,000, except that an expenditure for yard signs lacking the required information may result in a maximum civil penalty of \$200. In assessing a civil penalty, the commission shall consider, among other things, how widely the communication was disseminated, whether the violation was intentional, whether the violation occurred as the result of an error by a printer or other paid vendor and whether the communication conceals or misrepresents the identity of the person who financed it. If the person who financed the communication or who committed the violation corrects the violation within 10 days after receiving notification of the violation from the commission by adding the missing information to the communication, the commission may decide to assess no civil penalty.

5. Telephone calls. Prerecorded automated telephone calls and scripted live telephone communications that name a clearly identified candidate during the 21 days before a primary election or the 35 days before a general election must clearly state the name of the person who made or financed the expenditure for the communication, except for prerecorded automated telephone calls paid for by the candidate that use the candidate's voice in the telephone call and that are made in support of that candidate. Telephone calls made for the purposes of researching the views of voters are not required to include the disclosure.

6. Exclusions. The requirements of this section do not apply to:

A. Handbills or other literature produced and distributed at a cost not exceeding \$100 and prepared by one or more individuals who are not required to register or file campaign finance reports with the commission and who are acting independently of and without authorization by a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee or an agent of a candidate, candidate's authorized campaign committee, party committee, political

action committee or ballot question committee;

B. Campaign signs produced and distributed at a cost not exceeding \$100, paid for by one or more individuals who are not required to register or file campaign finance reports with the commission and who are acting independently of and without authorization by a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee or an agent of a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee; and

C. Internet and e-mail activities costing less than \$100, as excluded by rule of the commission, paid for by one or more individuals who are not required to register or file campaign finance reports with the commission and who are acting independently of and without authorization by a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee or an agent of a candidate, candidate's authorized campaign committee, party committee, political action committee or ballot question committee.

21A § 1014-A. Endorsements of political candidates (REPEALED)

21A § 1014-B. Push polling

1. Push poll defined. For purposes of this section, "push poll" means any paid telephone survey or series of telephone surveys that are similar in nature that reference a candidate or group of candidates other than in a basic preference question, and when:

A. A list or directory is used, exclusively or in part, to select respondents belonging to a particular subset or combination of subsets of the population, based on demographic or political characteristics such as race, sex, age, ethnicity, party affiliation or like characteristics;

B. The survey fails to make demographic inquiries on factors such as age, household income or status as a likely voter sufficient to allow for the tabulation of results based on a relevant subset of the population consistent with standard polling industry practices;

C. The pollster or polling organization does not collect or tabulate survey results;

D. The survey prefaces a question regarding support for a candidate on the basis of an untrue statement; and

E. The survey is primarily for the purpose of suppressing or changing the voting position of the call recipient.

"Push poll" does not include any survey supporting a particular candidate that fails to reference another candidate or candidates other than in a basic preference question.

2. Push polls; political telephone solicitations; requirements. Push polling must be conducted in accordance with this subsection.

A. A person may not authorize, commission, conduct or administer a push poll by telephone or telephonic device unless, during each call, the caller identifies the person or organization sponsoring or authorizing the call by stating "This is a paid political advertisement by (name of persons or organizations)," and identifies the organization making the call, if different from the sponsor, by stating "This call is conducted by (name of organization)."

B. If any person identified as either sponsoring or authorizing the call is not required to file any document with election officials pursuant to this Title, a valid, current, publicly listed telephone number and address for the person or organization must be disclosed during each call.

C. If any person sponsoring or authorizing the call is affiliated with a candidate, the candidate's name and the office sought by that candidate must be disclosed during each call.

D. If the call is an independent expenditure, as defined in section 1019-B, that a candidate has not approved the call must be disclosed during each call.

It is not a violation of this subsection if the respondent voluntarily terminates the call or asks to be called back before the required disclosures are made, unless the respondent is in any way encouraged to do so by the person initiating the call.

A person may not state or imply false or fictitious names or telephone numbers when providing the disclosures required under this subsection.

All oral disclosures required by this subsection must be made in a clear and intelligible manner and must be repeated in that fashion upon request of the call respondent. Disclosures made by any telephonic device must offer respondents a procedure to have the disclosures repeated.

This subsection does not apply to a push poll or political telephone solicitation or contact if the individuals participating in the call know each other prior to the call.

A person who violates this subsection may be assessed a forfeiture of \$500 by the commission.

3. Registered agents; requirements; registration. Persons conducting push polling shall register and comply with the requirements of this subsection.

A. A person who conducts a paid push poll or political telephone solicitation or contact, prior to conducting that poll, solicitation or contact, must have and continuously maintain for at least 180 days following the cessation of business activities in this State a designated agent for the purpose of service of process, notice or demand required or permitted by law, and shall file with the commission identification of that designated agent. Conducting business in this State includes both placing telephone calls from a location in this State and calls from other states or nations to individuals located within this State. The designated

agent must be an individual resident of this State, a domestic corporation or a foreign corporation authorized to do business in this State. This paragraph does not apply to any entity already lawfully registered to conduct business in this State.

B. The commission shall create and maintain forms for the designation of agents required pursuant to paragraph A and require, at a minimum, the following information:

The name, address and telephone number of the designated agent; and

(2) The name, address and telephone number of the person conducting business in this State.

C. The person conducting push polling shall notify the commission of any changes in the designated agent and the information required by paragraph B.

D. A person who violates this subsection may be assessed a forfeiture of \$500 by the commission.

4. Permitted practices. This section does not prohibit legitimate election practices, including but not limited to:

A. Voter identification;

B. Voter facilitation activities; or

C. Generally accepted scientific polling research.

21A § 1015. Limitations on contributions and expenditures

1. Individuals. An individual may not make contributions to a candidate in support of the candidacy of one person aggregating more than \$1,500 in any election for a gubernatorial candidate, more than \$350 for a legislative candidate, more than \$350 for a candidate for municipal office and beginning January 1, 2012 more than \$750 for a candidate for municipal office or more than \$750 in any election for any other candidate. This limitation does not apply to contributions in support of a candidate by that candidate or that candidate's spouse or domestic partner. Beginning December 1, 2010, contribution limits in accordance with this subsection are adjusted every two years based on the Consumer Price Index as reported by the United States Department of Labor, Bureau of Labor Statistics and rounded to the nearest amount divisible by \$25. The commission shall post the current contribution limit and the amount of the next adjustment and the date that it will become effective on its publicly accessible website and include this information with any publication to be used as a guide for candidates.

2. Committees; corporations; associations. A political committee, political action committee, other committee, firm, partnership, corporation, association or organization may not make contributions to a candidate in support of the candidacy of one person aggregating more than \$1,500 in any election for a gubernatorial candidate, more than \$350 for a legislative candidate, more than \$350 for a candidate for municipal office and beginning January 1, 2012 more than \$750 for a candidate for municipal office or more than \$750 in any election for any other candidate. Beginning December 1, 2010,

contribution limits in accordance with this subsection are adjusted every two years based on the Consumer Price Index as reported by the United States Department of Labor, Bureau of Labor Statistics and rounded to the nearest amount divisible by \$25. The commission shall post the current contribution limit and the amount of the next adjustment and the date that it will become effective on its publicly accessible website and include this information with any publication to be used as a guide for candidates.

3. Aggregate contributions. No individual may make contributions to candidates aggregating more than \$25,000 in any calendar year. This limitation does not apply to contributions in support of a candidate by that candidate or that candidate's spouse or domestic partner.

4. Political committees; intermediaries. For the purpose of the limitations imposed by this section, contributions made to any political committee authorized by a candidate to accept contributions on the candidate's behalf are considered to be contributions made to that candidate. If the campaign activities of a political action committee within a calendar year primarily promote or support the nomination or election of a single candidate, contributions to the committee that were solicited by the candidate are considered to be contributions made to the candidate for purposes of the limitations in this section. For purposes of this subsection, solicitation of contributions includes but is not limited to the candidate's appearing at a fundraising event organized by or on behalf of the political action committee or suggesting that a donor make a contribution to that committee.

For the purposes of the limitations imposed by this section, all contributions made by a person, either directly or indirectly, on behalf of a particular candidate that are in any way earmarked or otherwise directed through an intermediary or conduit to the candidate are considered to be contributions from that person to the candidate. The intermediary or conduit shall report the original source and the intended recipient of the contribution to the commission and to the intended recipient.

5. Other contributions and expenditures. Any expenditure made by any person in cooperation, consultation or concert with, or at the request or suggestion of, a candidate, a candidate's political committee or their agents is considered to be a contribution to that candidate.

The financing by any person of the dissemination, distribution or republication, in whole or in part, of any broadcast or any written or other campaign materials prepared by the candidate, the candidate's political committee or committees or their authorized agents is considered to be a contribution to that candidate.

6. Prohibited expenditures. A candidate, a treasurer, a political committee, a party or party committee, a person required to file a report under this subchapter or their authorized agents may not make any expenditures for liquor to be distributed to or consumed by voters while the polls are open on election day.

7. Voluntary limitations on political expenditures. A candidate may voluntarily agree to limit the total expenditures made on behalf of that candidate's campaign as specified in section 1013-A, subsection 1, paragraph C and subsections 8 and 9.

8. Political expenditure limitation amounts. Total expenditures in any election for legislative office by a candidate who voluntarily agrees to limit campaign expenditures as provided in subsection 7 are as follows:

- A. For State Senator, \$25,000; and
- B. For State Representative, \$5,000.
- C. (REPEALED)

Expenditure limits are per election and may not be carried forward from one election to another. For calculation and reporting purposes, the reporting periods established in section 1017 apply.

9. Publication of list. The commission shall publish a list of the candidates for State Representative and State Senator who have agreed to voluntarily limit total expenditures for their campaigns as provided in section 1013-A, subsection 1, paragraph C.

For the purposes of subsections 7 and 8 and this subsection, "total expenditures" means the sum of all expenditures made to influence a single election that are made by a candidate or made on the candidate's behalf by the candidate's political committee or committees, the candidate's party or the candidate's immediate family.

21A § 1015-A. Corporate contributions

Contributions made by a for-profit or a nonprofit corporation including a parent, subsidiary, branch, division, department or local unit of a corporation, and contributions made by a political committee or political action committee whose contribution or expenditure activities are financed, maintained or controlled by a corporation are considered to be made by that corporation, political committee or political action committee.

1. Single entities. Two or more entities are treated as a single entity if the entities:

- A. Share the majority of members of their boards of directors;
- B. Share 2 or more officers;
- C. Are owned or controlled by the same majority shareholder or shareholders; or
- D. Are in a parent-subsidiary relationship.

2. Sole proprietorships. A sole proprietorship and its owner are treated as a single entity.

21A § 1016. Records

Each treasurer shall keep detailed records of all contributions received and of each expenditure that the treasurer or candidate makes or authorizes, as provided in this section. When reporting contributions and expenditures to the commission as required by section 1017, the treasurer shall certify the completeness and accuracy of the information reported by that treasurer.

1. Segregated funds. All funds of a political committee and campaign funds of a candidate must be segregated from, and may not be commingled with, any personal funds of the candidate, treasurer or other officers, members or associates of the committee. Personal funds of the candidate used to support the candidacy must be recorded and reported to the treasurer as contributions to the political committee, or the candidate if the candidate has not authorized a political committee.

2. Report of contributions and expenditures. A person who receives a contribution or makes an expenditure for a candidate or political committee shall report the contribution or expenditure to the treasurer within 5 days of the receipt of the contribution or the making of the expenditure. A person who receives a contribution in excess of \$10 for a candidate or a political committee shall report to the treasurer the amount of the contribution, the name and address of the person making the contribution and the date on which the contribution was received.

3. Record keeping. A treasurer shall keep a detailed and exact account of:

A. All contributions made to or for the candidate or committee, including any contributions by the candidate;

B. The name and address of every person making a contribution in excess of \$10, the date and amount of that contribution and, if a person's contributions in any report filing period aggregate more than \$50, the account must include the contributor's occupation and principal place of business, if any. If the contributor is the candidate or a member of the candidate's immediate family, the account must also state the relationship. For purposes of this paragraph, "filing period" is as provided in section 1017, subsections 2 and 3-A;

C. All expenditures made by or on behalf of the committee or candidate; and

D. The name and address of every person to whom any expenditure is made and the date and amount of the expenditure.

4. Receipts preservation. A treasurer shall obtain and keep a receipted bill, stating the particulars, for every expenditure in excess of \$50 made by or on behalf of a political committee or a candidate and for any such expenditure in a lesser amount if the aggregate amount of those expenditures to the same person in any election exceeds \$50. The treasurer shall preserve all receipted bills and accounts required to be kept by this section for 2 years following the final report required to be filed for the election to which they pertain, unless otherwise ordered by the commission or a court.

21A § 1017. Reports by candidates

1. Federal candidates. (REPEALED)

2. Gubernatorial candidates. A treasurer of a candidate for the office of Governor shall file reports with the commission as follows. Once the first required report has been filed, each subsequent report must cover the period from the end date of the prior report filed.

A. In any calendar year, other than a gubernatorial election year, in which the candidate or the candidate's political committee has received contributions in excess of \$1,000 or made or authorized expenditures in excess of \$1,000, reports must be filed no later than 11:59 p.m. on July 15th of that year and January 15th of the following calendar year. These reports must include all contributions made to and all expenditures made or authorized by or on behalf of the candidate or the candidate's treasurer as of the end of the preceding month, except those covered by a previous report.

B. Reports must be filed no later than 11:59 p.m. on the 42nd day before the date on which an election is held and must be complete as of the 49th day before that date. If a report was not filed under paragraph A, the report required under this paragraph must cover all contributions and expenditures through the 49th day before the election.

C. Reports must be filed no later than 11:59 p.m. on the 11th day before the date on which an election is held and must be complete as of the 14th day before that date.

D. Contributions aggregating \$1,000 or more from any one contributor or single expenditures of \$1,000 or more made after the 14th day before the election and more than 24 hours before 11:59 p.m. on the day of the election must be reported within 24 hours of those contributions or expenditures.

E. Reports must be filed no later than 11:59 p.m. on the 42nd day after the date on which an election is held and must be complete for the filing period as of the 35th day after that date.

F. Unless further reports will be filed in relation to a later election in the same calendar year, the disposition of any surplus or deficit in excess of \$100 shown in the reports described in paragraph E must be reported as provided in this paragraph. The treasurer of a candidate or political committee with a surplus or deficit in excess of \$100 shall file reports semiannually with the commission within 15 days following the end of the 2nd and 4th quarters of the State's fiscal year, complete as of the last day of the quarter, until the surplus is disposed of or the deficit is liquidated. The first report under this paragraph is not required until the 15th day of the period beginning at least 90 days from the date of the election. The reports will be considered timely if filed electronically or in person with the commission on that date or postmarked on that date. The reports must set forth any contributions for the purpose of liquidating the deficit, in the same manner as contributions are set forth in other reports required in this section.

G. Unless otherwise specified in this subsection, reports must be complete back to the end date of the previous report filing period. The reports described in paragraph E, if filed with respect to a primary election, are considered previous reports in relation to reports concerning a general election.

H. Reports with respect to a candidate who seeks nomination by petition for the office of Governor must be filed on the same dates that reports must be filed with respect to a candidate who seeks that nomination by primary election.

3. Other candidates. (REPEALED)

3-A. Other candidates. A treasurer of a candidate for state or county office other than the office of Governor shall file reports with the commission and municipal candidates shall file reports with the municipal clerk as follows. Once the first required report has been filed, each subsequent report must cover the period from the end date of the prior report filed.

A. In any calendar year in which an election for the candidate's particular office is not scheduled, when any candidate or candidate's political committee has received contributions in excess of \$500 or made or authorized expenditures in excess of \$500, reports must be filed no later than 11:59 p.m. on July 15th of that year and January 15th of the following calendar year. These reports must include all contributions made to and all expenditures made or authorized by or on behalf of the candidate or the treasurer of the candidate as of the end of the preceding month, except those covered by a previous report.

B. Reports must be filed no later than 11:59 p.m. on the 11th day before the date on which an election is held and must be complete as of the 14th day before that date. If a report was not filed under paragraph A, the report required under this paragraph must cover all contributions and expenditures through the 14th day before the election.

C. Contributions aggregating \$1,000 or more from any one contributor or single expenditures of \$1,000 or more made after the 14th day before any election and more than 24 hours before 11:59 p.m. on the day of any election must be reported within 24 hours of those contributions or expenditures.

D. Reports must be filed no later than 11:59 p.m. on the 42nd day after the date on which an election is held and must be complete for the filing period as of the 35th day after that date.

D-1. Reports must be filed no later than 11:59 p.m. on the 42nd day before the date on which a general election is held and must be complete as of the 49th day before that date, except that this report is not required for candidates for municipal office.

E. Unless further reports will be filed in relation to a later election in the same calendar year, the disposition of any surplus or deficit in excess of \$100 shown in the reports described in paragraph D must be reported as provided by this paragraph. The treasurer of a candidate with a surplus or deficit in excess of \$100 shall file reports semiannually with the commission within 15 days following the end of the 2nd and 4th quarters of the State's fiscal year, complete as of the last day of the quarter, until the surplus is disposed of or the deficit is liquidated. The first report under this

paragraph is not required until the 15th day of the period beginning at least 90 days from the date of the election. The reports will be considered timely if filed electronically or in person with the commission on that date or postmarked on that date. The reports must set forth any contributions for the purpose of liquidating the deficit, in the same manner as contributions are set forth in other reports required in this section.

F. Reports with respect to a candidate who seeks nomination by petition must be filed on the same dates that reports must be filed by a candidate for the same office who seeks that nomination by primary election.

3-B. Accelerated reporting schedule. (REPEALED)

4. New candidate or nominee. A candidate for nomination or a nominee chosen to fill a vacancy under Chapter 5, subchapter 3 is subject to section 1013-A, subsection 1, except that the candidate shall register the name of a treasurer or political committee and all other information required in section 1013-A, subsection 1, paragraphs A and B within 7 days after the candidate's appointment or at least 6 days before the election, whichever is earlier. The commission shall send notification of this registration requirement and report forms and schedules to the candidate and the candidate's treasurer immediately upon notice of the candidate's and treasurer's appointments.

5. Content. A report required under this section must contain the itemized accounts of contributions received during that report filing period, including the date a contribution was received, and the name, address, occupation, principal place of business, if any, and the amount of the contribution of each person who has made a contribution or contributions aggregating in excess of \$50. The report must contain the itemized expenditures made or authorized during the report filing period, the date and purpose of each expenditure and the name of each payee and creditor and any refund that a payee has made to the candidate or an agent of the candidate. If the payee is a member of the candidate's household or immediate family, the candidate must disclose the candidate's relationship to the payee in a manner prescribed by the commission. The report must contain a statement of any loan to a candidate by a financial institution in connection with that candidate's candidacy that is made during the period covered by the report, whether or not the loan is defined as a contribution under section 1012, subsection 2, paragraph A. The candidate and the treasurer are jointly and severally responsible for the timely and accurate filing of each required report.

5-A. Valuation of contributions sold at auction. Any contribution received by a candidate that is later sold at auction must be reported in the following manner.

A. If the contribution is sold at auction before the commencement of the appropriate reporting period specified in subsections 2 to 4, or during that period, the value of the contribution is deemed to be the amount of the purchase price paid at auction.

B. If the contribution is sold after the termination of the appropriate reporting period specified in subsections 2 to 4, the value of the contribution is the difference between the value of the contribution as originally reported by the treasurer and the amount of the purchase price paid at auction. Unless further reports are filed in relation to a later election in the same calendar year, the disposition of any net surplus or deficit in excess of

\$100 resulting from the difference between the auction price and the original contribution value must be reported in the same manner as provided in subsection 2, paragraph F or subsection 3-A, paragraph E, as appropriate.

6. Forms. Reports required by this section not filed electronically must be on forms prescribed, prepared and sent by the commission to the treasurer of each registered candidate at least 7 days before the filing date for the report. Establishment of or amendments to the campaign report filing forms required by this section must be by rule. Persons filing reports may use additional pages if necessary, but the pages must be the same size as the pages of the form. Although the commission mails the forms for required reports to candidates who are exempt from filing electronically, failure to receive forms by mail does not excuse treasurers, committees and other persons who must file reports from otherwise obtaining the forms or from late filing penalties.

Rules of the commission establishing campaign report filing forms for candidates are routine technical rules as defined in Title 5, Chapter 375, subchapter 2-A.

7. Reporting exemption. (REPEALED)

7-A. Reporting exemption. A candidate seeking election to a county or municipal office is exempt from reporting as provided by this subsection.

A. A candidate seeking election to a county or municipal office may, at the time the candidate registers under section 1013-A, notify the commission that the candidate and the candidate's agents, if any, will not personally accept contributions, make expenditures or incur obligations associated with that candidate's candidacy. The notification must be sworn and notarized. A candidate who provides this notice to the commission is not required to appoint a treasurer and is not subject to the filing requirements of this subchapter if the statement is true.

B. The notice provided to the commission under paragraph A may be revoked. Prior to revocation, the candidate must appoint a treasurer. The candidate may not accept contributions, make expenditures or incur obligations before the appointment of a treasurer and the filing of a revocation notice are accomplished. A revocation notice must be in the form of an amended registration, which must be filed with the commission no later than 10 days after the appointment of a treasurer. The candidate and the candidate's treasurer, as of the date the revocation notice is filed with the commission, may accept contributions, make expenditures and incur obligations associated with the candidate's candidacy. Any candidate who fails to file a timely revocation notice is subject to the penalties prescribed in section 1020-A, subsection 4-A, up to a maximum of \$5,000. Lateness is calculated from the day a contribution is received, an expenditure is made or an obligation is incurred, whichever is earliest.

8. Disposition of surplus. A treasurer of a candidate registered under section 1013-A or qualified under sections 335 and 336 or sections 354 and 355 must dispose of a surplus exceeding \$100 within 4 years of the election for which the contributions were received by:

A. Returning contributions to the candidate's or candidate's authorized political committee's contributors, as long as no contributor receives more than the amount contributed;

- B. A gift to a qualified political party within the State, including any county or municipal subdivision of such a party;
- C. An unrestricted gift to the State. A candidate for municipal office may dispose of a surplus by making a restricted or unrestricted gift to the municipality;
- D. Carrying forward the surplus balance to a political committee established to promote the same candidate for a subsequent election;
- D-1. Carrying forward the surplus balance for use by the candidate for a subsequent election;
- E. Transferring the surplus balance to one or more other candidates registered under section 1013-A or qualified under sections 335 and 336 or sections 354 and 355, or to political committees established to promote the election of those candidates, provided that the amount transferred does not exceed the contribution limits established by section 1015;
- F. Repaying any loans or retiring any other debts incurred to defray campaign expenses of the candidate;
- G. Paying for any expense incurred in the proper performance of the office to which the candidate is elected, as long as each expenditure is itemized on expenditure reports; and
- H. A gift to a charitable or educational organization that is not prohibited, for tax reasons, from receiving such a gift.

The choice must be made by the candidate for whose benefit the contributions were made.

9. Campaign termination report forms. The commission shall provide each candidate required to report campaign contributions and expenditures with a campaign termination report form. A candidate shall file the campaign termination report with the commission as required in this subsection. The campaign termination report must be complete as of June 30th of the year following the campaign of the previous year. This form must show any deficits or surpluses to be carried over to the next campaign. Funds not carried forward to the next campaign must be disposed of as provided in subsection 8. Campaign reporting is as follows.

- A. Candidates with surplus campaign funds following an election shall file termination reports no later than July 15th of the year following the campaign of the previous year.
- B. Candidates with a campaign deficit following an election shall file termination reports no later than July 15th of the year following the campaign of the previous year.
- C. Candidates with a deficit who will not participate in the next election for the same office shall file semiannual reports until the deficit is liquidated.
- D. Candidates who collect funds subsequent to an election for purposes other than retiring campaign debt shall register with the commission pursuant to section 1013-A.

10. Electronic filing. The treasurer of a candidate or committee that has receipts or expects to have receipts of more than \$1,500 shall file each report required by this section through an electronic filing system developed by the commission. The commission may make an exception to this electronic filing requirement if a candidate or committee submits a written request that states that the candidate or committee lacks access to the technology or the technological ability to file reports electronically. The request for an exception must be submitted by April 15th of the election year, except that a candidate registered according to subsection 4 has 10 business days from the date of registration to submit a request to the commission. The commission shall grant all reasonable requests for exceptions.

21A § 1017-A. Reports of contributions and expenditures by party committees

1. Contributions. A party committee shall report all contributions in cash or in kind from a single contributor that in the aggregate total more than \$200. The party committee shall report the name, mailing address, occupation and place of business of each contributor. Contributions of \$200 or less must be reported, and these contributions may be reported as a lump sum.

2. Expenditures to influence a campaign. A party committee shall report all expenditures made to influence a campaign, as defined in section 1052, subsection 1. The party committee shall report:

- A. The name of each candidate, political committee, political action committee or party committee;
- B. The office sought by a candidate and the district that the candidate seeks to represent; and
- C. The date, amount and purpose of each expenditure.

3. Other expenditures. Operational expenses and other expenditures that are not made to influence a campaign, as defined in section 1052, subsection 1 must be reported separately. The party committee shall report:

(2) On the 42nd day after the date on which the election is held and must be complete up to the 35th day after that date.

D. A state party committee that files an election report under paragraph B or C is not required to file a quarterly report under paragraph A when the deadline for that quarterly report falls within 10 days of the filing deadline established in paragraph B or C.

E. A state party committee shall report any expenditure of \$500 or more made after the 14th day before the election and more than 24 hours before 5:00 p.m. on the day of the election within 24 hours of that expenditure.

4-B. Filing schedule for municipal, district and county party committees.

Municipal, district and county party committees shall file reports according to the following schedule.

4-C. Electronic filing. State party committees shall file each report required by this section through an electronic filing system developed by the commission. The commission may make an exception to this electronic filing requirement if a party committee submits a written request that states that the party committee lacks access to the technology or the technological ability to file reports electronically. The request for an exception must be submitted by March 1st of the election year. The commission shall grant all reasonable requests for exceptions.

5. Penalties. A party committee is subject to the penalties in section 1020-A, subsection 4.

6. Notice; forms. A state party committee shall notify all county, district and municipal party committees of the same political party of the party committee reporting requirements. The party committees shall obtain the necessary forms from the commission to complete the filing requirements.

7. Exemption. Any party committee receiving and expending less than \$1,500 in one calendar year is exempt from the reporting requirements of this section for that year.

8. Municipal elections. When a party committee makes contributions or expenditures on behalf of a candidate for municipal office subject to this subchapter, it shall file a copy of the reports required by this section with the clerk in that candidate's municipality.

21A § 1017-B. Records

Any party committee that makes expenditures that aggregate in excess of \$50 to any one or more candidates, committees or campaigns in this State shall keep records as provided in this section. Records required to be kept under this section must be retained by the party committee until 10 days after the next election following the election to which the records pertain.

1. Details of records. The treasurer of a party committee shall record a detailed account of:

- A. All expenditures made to or on behalf of a candidate, campaign or committee;

3. Record of contributions. The treasurer of a party committee shall keep a record of all contributions to the committee, by name and mailing address, of each donor and the amount and date of the contribution. This subsection does not apply to aggregate contributions from a single donor of \$50 or less in an election. When any donor's

contributions to a party committee exceed \$50, the record must include the aggregate amount of all contributions from that donor.

21A § 1018. Reports by party committees

- 1. State committee; federal reports. (REPEALED)**
- 2. Party committee. (REPEALED)**

21A § 1018-B. Recounts of elections

The reports must be made on forms prepared and sent by the commission. Persons donating services to the candidate are required to provide the candidate with an estimate of the value of the services donated. Political action committees and party committees making expenditures for a candidate's recount shall identify on their regularly filed reports that the expenditures were made for the purposes of a recount.

2. Limitations. Candidates may receive donations without limitation for purposes of a recount from party committees and caucus campaign committees and from attorneys, consultants and their firms that are donating their services without reimbursement. Candidates may not spend revenues received under Chapter 14 for recount expenditures.

21A § 1019. Reports of independent expenditures (REPEALED)

21A § 1019-A. Reports of membership communications

Any membership organization or corporation that makes a communication to its members or stockholders expressly advocating the election or defeat of a clearly identified candidate shall report any expenses related to such communications aggregating in excess of \$50 in any one candidate's election race, notwithstanding the fact that such communications are not expenditures under section 1012, subsection 3, paragraph A. Reports required by this section must be filed with the commission on forms prescribed and prepared by the commission and according to a reporting schedule that the commission shall establish by rule.

21A §1019-B. Reports of independent expenditures

1. Independent expenditures; definition. For the purposes of this section, an "independent expenditure":

- A. Is any expenditure made by a person, party committee, political committee or political action committee, other than by contribution to a candidate or a candidate's authorized political committee, for any communication that expressly advocates the election or defeat of a clearly identified candidate; and

B. Is presumed in races involving a candidate who is certified as a Maine Clean Election Act candidate under section 1125, subsection 5 to be any expenditure made to design, produce or disseminate a communication that names or depicts a clearly identified candidate and is disseminated during the 21 days, including election day, before a primary election; the 35 days, including election day, before a general election; or during a special election until and on election day.

2. Rebutting presumption. A person presumed under this section to have made an independent expenditure may rebut the presumption by filing a signed written statement with the commission within 48 hours of making the expenditure stating that the cost was not incurred with the intent to influence the nomination, election or defeat of a candidate, supported by any additional evidence the person chooses to submit. The commission may gather any additional evidence it deems relevant and material and must determine by a preponderance of the evidence whether the cost was incurred with intent to influence the nomination, election or defeat of a candidate.

3. Report required; content; rules. (REPEALED)

4. Report required; content; rules. A person, party committee, political committee or political action committee that makes independent expenditures aggregating in excess of \$100 during any one candidate's election shall file a report with the commission. In the case of a municipal election, the report must be filed with the municipal clerk.

A. A report required by this subsection must be filed with the commission according to a reporting schedule that the commission shall establish by rule that takes into consideration existing campaign finance reporting requirements. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

B. A report required by this subsection must contain an itemized account of each expenditure aggregating in excess of \$100 in any one candidate's election, the date and purpose of each expenditure and the name of each payee or creditor. The report must state whether the expenditure is in support of or in opposition to the candidate and must include, under penalty of perjury, as provided in Title 17-A, section 451, a statement under oath or affirmation whether the expenditure is made in cooperation, consultation or concert with, or at the request or suggestion of, the candidate or an authorized committee or agent of the candidate.

C. A report required by this subsection must be on a form prescribed and prepared by the commission. A person filing this report may use additional pages if necessary, but the pages must be the same size as the pages of the form.

5. Exclusions. An independent expenditure does not include:

A. An expenditure made by a person in cooperation, consultation or concert with, or at the request or suggestion of, a candidate, a candidate's political committee or their agents;

B. A telephone survey that meets generally accepted standards for polling research and that is not conducted for the purpose of changing the voting position of the call recipients or discouraging them from voting;

C. A telephone call naming a clearly identified candidate that identifies an individual's position on a candidate, ballot question or political party for the purpose of encouraging the individual to vote, as long as the call contains no advocacy for or against any candidate; and

D. A voter guide that consists primarily of candidates' responses to surveys and questionnaires and that contains no advocacy for or against any candidate.

21A § 1020. Failure to file on time (REPEALED)

21A § 1020-A. Failure to file on time

1. Registration. A candidate that fails to register the name of a candidate, treasurer or political committee with the commission within the time allowed by section 1013-A, subsection 1 may be assessed a forfeiture of \$10. The commission shall determine whether a registration satisfies the requirements for timely filing under section 1013-A, subsection 1.

2. Campaign finance reports. A campaign finance report is not timely filed unless a properly signed or electronically submitted copy of the report, substantially conforming to the disclosure requirements of this subchapter, is received by the commission by 11:59 p.m. on the date it is due. Except as provided in subsection 7, the commission shall determine whether a report satisfies the requirements for timely filing. The commission may waive a penalty in whole or in part if the commission determines that the penalty is disproportionate to the size of the candidate's campaign, the level of experience of the candidate, treasurer or campaign staff or the harm suffered by the public from the late disclosure. The commission may waive the penalty in whole or in part if the commission determines the failure to file a timely report was due to mitigating circumstances. For purposes of this section, "mitigating circumstances" means:

A. A valid emergency determined by the commission, in the interest of the sound administration of justice, to warrant the waiver of the penalty in whole or in part;

B. An error by the commission staff;

C. Failure to receive notice of the filing deadline; or

D. Other circumstances determined by the commission that warrant mitigation of the penalty, based upon relevant evidence presented that a bona fide effort was made to file the report in accordance with the statutory requirements, including, but not limited to, unexplained delays in postal service or interruptions in Internet service.

3. Municipal campaign finance reports. Municipal campaign finance reports must be filed, subject to all the provisions of this subchapter, with the municipal clerk on forms prescribed by the Commission on Governmental Ethics and Election Practices. The

municipal clerk shall send any notice of lateness required by subsection 6 and shall notify the commission of any late reports subject to a penalty.

4. Basis for penalties. (REPEALED)

4-A. Basis for penalties. The penalty for late filing of a report required under this subchapter is a percentage of the total contributions or expenditures for the filing period, whichever is greater, multiplied by the number of calendar days late, as follows:

- A. For the first violation, 1%;
- B. For the 2nd violation, 3%; and
- C. For the 3rd and subsequent violations, 5%.

Any penalty of less than \$10 is waived.

Violations accumulate on reports with filing deadlines in a two-year period that begins on January 1st of each even-numbered year. Waiver of a penalty does not nullify the finding of a violation.

A report required to be filed under this subchapter that is sent by certified or registered United States mail and postmarked at least 2 days before the deadline is not subject to penalty.

A registration or report may be provisionally filed by transmission of a facsimile copy of the duly executed report to the commission, as long as the facsimile copy is filed by the applicable deadline and an original of the same report is received by the commission within 5 calendar days thereafter.

5. Maximum penalties. (REPEALED)

5-A. Maximum penalties. Penalties assessed under this subchapter may not exceed:

- A. Five thousand dollars for reports required under section 1017, subsection 2, paragraph B, C, D, E or H; section 1017, subsection 3-A, paragraph B, C, D, D-1 or F; and section 1017, subsection 4;
- A-1. Five thousand dollars for reports required under section 1019-B, subsection 4, except that if the financial activity reported late exceeds \$50,000, the maximum penalty is 1/5 of the amount reported late;
- B. Five thousand dollars for state party committee reports required under section 1017-A, subsection 4-A, paragraphs A, B, C and E, except that if the financial activity reported late exceeds \$50,000, the maximum penalty is 1/5 of the amount reported late;
- C. One thousand dollars for reports required under section 1017, subsection 2, paragraphs A and F and section 1017, subsection 3-A, paragraphs A and E; or
- D. Five hundred dollars for municipal, district and county committees for reports required under section 1017-A, subsection 4-B.
- E. (REPEALED)

6. Request for a commission determination. If the commission staff finds that a candidate or political committee has failed to file a report required under this subchapter, the commission staff shall mail a notice by certified mail to the candidate or political committee within 3 business days following the filing deadline informing the candidate or political committee that a report was not received. If a candidate or a political committee files a report required under this subchapter late, a notice of preliminary penalty must be sent to the candidate or political committee whose registration or campaign finance report was not received by 11:59 p.m. on the deadline date, informing the candidate or political committee of the staff finding of violation and preliminary penalty calculated under subsection 4-A and providing the candidate or political committee with an opportunity to request a determination by the commission. The notice must be sent by certified mail. Any request for a determination must be made within 14 calendar days of receipt of the commission's notice. The 14-day period during which a determination may be requested begins on the day a recipient signs for the certified mail notice of the proposed penalty. If the certified letter is refused or left unclaimed at the post office, the 14-day period begins on the day the post office indicates it has given first notice of a certified letter. A candidate or political committee requesting a determination may either appear in person or designate a representative to appear on the candidate's or political committee's behalf or submit a sworn statement explaining the mitigating circumstances for consideration by the commission. A final determination by the commission may be appealed to the Superior Court in accordance with Title 5, chapter 375, subchapter 7 and the Maine Rules of Civil Procedure, Rule 80C.

7. Final notice of penalty. If a determination has been requested by the candidate or political committee and made by the commission, notice of the commission's final determination and the penalty, if any, imposed pursuant to this subchapter must be sent to the candidate and the political committee.

If a determination is not requested, the preliminary penalty calculated by the commission staff is final. The commission staff shall mail final notice of the penalty to the candidate and treasurer. A detailed summary of all notices must be provided to the commission.

8. Failure to file report. The commission shall notify a candidate who has failed to file a report required by this subchapter, in writing, informing the candidate of the requirement to file a report. The notice must be sent by certified mail. If a candidate fails to file a report after 2 notices have been sent by the commission, the commission shall send a final notice by certified mail informing the candidate of the requirement to file and that the matter may be referred to the Attorney General for criminal prosecution. A candidate who fails to file a report as required by this subchapter after the commission has sent the notices required by this subsection is guilty of a Class E crime.

8-A. Penalties for failure to file report. The penalty for failure to file a report required under this subchapter may not exceed the maximum penalties as provided in subsection 5-A.

9. List of late-filing candidates. The commission shall prepare a list of the names of candidates who are late in filing a report required under section 1017, subsection 2, paragraph C or D or section 1017, subsection 3-A, paragraph B or C within 30 days of the date of the election and shall make that list available for public inspection.

10. Enforcement. A penalty assessed pursuant to this section that has not been paid in full within 30 days after issuance of a notice of the final determination may be enforced in accordance with section 1004-B.
