*Listing of Internet resources to help you learn about the labor market. Knowledge is power, and what you gain here will assist you in making an informed career decision. The listings are by no means all-inclusive, but are recommended starting points in your research. Many of these sites do not contain specific job postings. There are many Internet sites devoted to job postings, but keep in mind that some are much more useful than others. We recommend that you speak with a staff member at your local CareerCenter (1-888-457-8883) or www.mainecareercenter.com for specific job search advice.
