ORDERED,

That the State Controller revise the allotment in account 010-95F-Z112-01, Maine Commission - Indigent Legal Services by increasing the third quarter allotment by \$430,000 in the All Other line category and by decreasing the fourth quarter allotment by \$430,000 in the All Other line category for the purpose of providing funds to cover the cost of indigent legal services in the third quarter; and,

Be it further ordered,  
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2015", for which this shall be our sufficient warrant.

Statement of Fact

This Financial Order revises allotment for payment of indigent legal services. During the first half of fiscal year 2014-2015, costs for indigent legal services have exceeded projected costs and available allotment by \$430,000. This financial order will allow timely payment of indigent legal services costs in the third quarter. The shortfall in allotment reflects a shortfall in overall funding for indigent legal services for fiscal year 2014-2015. This shortfall has been identified to the Joint Standing Committee on Appropriations by oral and written testimony on January 22, 2015.
